Magistrate Judge Newbern

STIPULATION AND AGREEMENT OF SETTLEMENT

This Stipulation and Agreement of Settlement dated June 10, 2021 (“Stipulation”), is entered into by and among (i) Court-appointed Class Representative Oklahoma Firefighters Pension and Retirement System (“Class Representative”), on behalf of itself and the Class, and (ii) Defendants Tivity Health, Inc. (“Tivity” or the “Company”), Donato Tramuto, Glenn Hargreaves, and Adam Holland (the “Individual Defendants”) (Tivity and the Individual Defendants collectively, the “Defendants”), by and through their respective counsel, and embodies the terms and conditions of the settlement of the above captioned action (“Action”).¹ Subject to the approval of the Court and the terms and conditions expressly provided herein, this Stipulation is intended to fully, finally, and forever compromise, settle, release, remise, resolve, and dismiss with prejudice the Action and all Released Plaintiffs’ Claims against the Defendant Releasees.

¹ All terms with initial capitalization not otherwise defined in parentheses shall have the meanings ascribed to them in ¶ 1 herein.

THE ACTION

The Action is currently pending in the United States District Court for the Middle District of Tennessee (the “Court”). The initial complaint in the Action was filed on November 20, 2017. On April 2, 2018, the Court appointed Oklahoma Firefighters Pension and Retirement System as Lead Plaintiff and Cohen Milstein Sellers & Toll PLLC (“Cohen Milstein”) as Lead Counsel and Branstetter, Stranch & Jennings PLLC as Liaison Counsel, and on January 29, 2020 the Court appointed Oklahoma Firefighters Pension and Retirement System as Class Representative and Cohen Milstein as Class Counsel.

Class Representative filed its First Amended Complaint on June 4, 2018. The Complaint alleges claims against Defendants under Section 10(b) of the Securities and Exchange Act of 1934 (the “Exchange Act”) and Rule 10b-5 promulgated thereunder, and against the Individual Defendants under Section 20(a) of the Exchange Act. Specifically, it alleges that Defendants made statements that were false and misleading because they omitted material information about Tivity’s customer UnitedHealthcare, which had begun insourcing a fitness program that was competing with Tivity’s own fitness program, SilverSneakers. Defendants deny each and all of Class Representative’s allegations. Defendants contend that they did not make material misstatements or omissions.

The Parties have vigorously litigated this case for more than three years. On August 3, 2018, Defendants moved to dismiss the First Amended Complaint for failure to state a claim. On September 17, 2018, Class Representative filed its opposition, to which Defendants replied on October 9, 2018. On March 18, 2019, the Court denied Defendants’ motion to dismiss. On April 1, 2019, Defendants moved for reconsideration of the Court’s order denying their motion to dismiss. On May 22, 2019, the Court denied that motion for reconsideration.

On April 15, 2019, the Court entered an initial case management order. On July 1, 2019, Class Representative moved for class certification. Extensive discovery on the class certification motion ensued including the exchange of extensive expert reports, party and non-party document production, and two fact depositions taken by Defendants as well as depositions of the expert witnesses proffered by Class Representative and Defendants. Defendants thereafter responded with a brief in opposition to class certification on October 8, 2019, to which Class Representative replied on December 20, 2019. On January 29, 2020, the Court granted Class Representative's motion to certify the Class. On February 12, 2020, Defendants filed with the United States Court of Appeals for the Sixth Circuit a Petition for Permission to Appeal Pursuant to Federal Rule of Civil Procedure 23(f), after which Class Representative filed a response to the petition with the Sixth Circuit, and filed a notice informing the Court that it would submit a proposed plan for disseminating class notice once the Sixth Circuit resolved Defendants' petition.

On March 3, 2020, the Court granted a joint motion to extend several discovery and briefing deadlines by several weeks. Given the logistical challenges that the COVID-19 pandemic had caused, on June 10, 2018, the deadline for fact discovery was subsequently extended from June 30, 2020 to October 2, 2020, in order to allow for the scheduling of several additional depositions, including those of the Individual Defendants.

On July 23, 2020, a three-judge panel of the Sixth Circuit denied Defendants' Rule 23(f) petition.

On August 26, 2020, Class Representative moved for an Order Establishing a Program and Schedule for Notice to the Class of Pending Class Action. Defendants did not oppose this motion.

On October 2, 2020, fact discovery ended. It included the production of over 300,000 pages of documents by the Parties and thirteen depositions, including depositions of Defendants, a

representative of Class Representative, and multiple third parties. The Parties also engaged in expert discovery, which involved the exchange of multiple expert reports and depositions of three experts.

On December 11, 2020, the Court granted Class Representative's motion for an Order Establishing a Program and Schedule for Notice to the Class of Pending Class Action. Also on December 11, 2020, Defendants moved for both summary judgment and decertification of the Class. Class Representative filed a brief with 111 exhibits and statement of disputed facts in opposition to summary judgment on January 19, 2021, as well as a brief in opposition to class decertification on January 26, 2021. Defendants filed a reply in support of summary judgment on February 17, 2021, and a reply in support of class decertification on February 24, 2021. On March 23, 2021, the Court denied both motions.

During the course of the Action, the Parties engaged a neutral third-party mediator and held two all-day settlement discussions. The first mediation session, conducted toward the end of merits discovery via videoconference on July 29, 2020, did not result in a settlement agreement. The second session, conducted on April 14, 2021, approximately five weeks before the scheduled first day of trial, also did not end in a settlement agreement. Several days after the second session and with the ongoing assistance of the mediator, on April 23, 2021, the Parties—in response to a proposal by the mediator—agreed in principle to settle the Action for \$7,500,000 for the benefit of the Class, subject to approval by the Court. The Stipulation (together with the exhibits hereto) reflects the final and binding agreement between the Parties.

* * * * *

Class Representative and Class Counsel believe that the claims asserted in the Action have merit and that the evidence developed to date support the claims asserted therein. However, Class

Representative and Class Counsel recognize the significant challenges and expense of continued proceedings necessary to prosecute the Action against Defendants through trial and post-trial appeals. Class Representative and Class Counsel have specifically taken into account the uncertain outcome and the risk of litigation, especially in complex actions such as this Action, as well as the difficulties and delays inherent in such litigation. Class Representative and Class Counsel also are mindful of the inherent problems of proof under and possible defenses to the securities law violations asserted in the Action. Class Representative and Class Counsel believe that the Settlement set forth in this Stipulation confers substantial benefits upon the Class. Based on their evaluation, Class Representative and Class Counsel have determined that the Settlement set forth in this Stipulation is fair, reasonable, and adequate, and that it is in the best interests of Class Representative and the Class.

Throughout this Action, Defendants have denied, and continue to deny, any and all allegations of fault, liability, wrongdoing, or damages whatsoever arising out of any of the conduct, statements, acts, or omissions alleged, or that could have been alleged, in the Action. Defendants have also denied, and continue to deny, among other allegations, the allegations that Class Representative or the Class have suffered any damages, or that Class Representative or the Class were harmed by the conduct alleged in the Action or that could have been alleged in the Action. In addition, Defendants maintain that they have meritorious defenses to all claims alleged in the Action. Defendants' decision to settle the Action is based on the conclusion that it is desirable that the Action be fully and finally settled in the manner and upon the terms and conditions set forth in this Stipulation, and that it would be beneficial to avoid the burden, inconvenience, and expense associated with continuing the Action, and the uncertainty and risks inherent in any litigation, especially in complex cases like this Action.

Neither the Settlement nor any of the terms of this Stipulation shall be construed or deemed to be evidence of or an admission, concession, or finding on the part of any of the Defendants with respect to any claim or allegation of any fault, liability, wrongdoing, or damages whatsoever, or any infirmity in the defenses that Defendants have, or could have, asserted. Similarly, this Stipulation shall in no event be construed or deemed to be evidence of or an admission or concession on the part of Class Representative of any infirmity in any of the claims asserted in the Action, or an admission or concession that any of Defendants' defenses to liability had any merit.

Each of the Parties recognizes and acknowledges, however, that the Action has been initiated, filed, and prosecuted by Class Representative in good faith and defended by Defendants in good faith, and that the Action is being voluntarily settled with the advice of counsel.

NOW, THEREFORE, IT IS HEREBY STIPULATED AND AGREED by and among Class Representative, for itself and the Class Members, and Defendants, by and through their counsel, that, subject to the approval of the Court pursuant to Rule 23(e) of the Federal Rules of Civil Procedure, in consideration of the benefits flowing to the Parties from the Settlement, the Action and the Released Claims shall be finally and fully compromised, settled, and released, and the Action shall be dismissed with prejudice, as to all Parties, upon and subject to the terms and conditions of this Stipulation, as follows:

This Release shall not apply to any Excluded Plaintiffs' Claims.

This Release shall not apply to any Excluded Defendants' Claims.

6. To the fullest extent permitted by law, and as to be provided in the proposed Judgment, all persons shall be permanently enjoined, barred, and restrained from bringing, commencing, prosecuting, or asserting any claims, actions, or causes of actions for contribution, indemnity, or otherwise against the Defendant Releasees seeking as damages or otherwise the recovery of all or any part of any liability, judgment, or settlement arising out of, relating to, or concerning any acts, facts, statements, or omissions that were or could have been alleged in the Action, whether arising under federal, state, local, common, statutory, administrative, or foreign law, or any other law, rule or regulation, at law or in equity as claims, cross-claims, counterclaims, third-party claims or otherwise, in this Court or any other federal, state, or foreign court, or in any arbitration proceeding, administrative agency proceeding, tribunal, or any other proceeding or forum.

7. Notwithstanding ¶¶ 4-6 above, nothing in the Judgment shall bar any action by any of the Parties to enforce or effectuate the terms of this Stipulation or the Judgment.

THE SETTLEMENT CONSIDERATION

8. In consideration of the full settlement of the claims asserted in the Action against Defendant Releasees and the Releases specified in ¶¶ 4-6 above, Defendants shall pay or cause to be paid the Settlement Amount into the Escrow Account by the later of: (i) thirty (30) calendar days after the entry of the Preliminary Approval Order, substantially in the form annexed as Exhibit A; or (ii) thirty (30) calendar days after receipt by Defendants of complete payment instructions, including a W-9 form.

9. Defendants' sole monetary obligation under the Settlement, including in connection with the provision and administration of notice and the administration of the Settlement and any costs associated therewith (except for the provision of notice pursuant to the Class Action Fairness Act ("CAFA") as detailed in ¶ 44 hereof) and any attorneys' fees or costs awarded by the Court, is the Settlement Amount, and Defendants shall not be liable for any other amount or amounts.

10. Other than the obligation to pay or cause to be paid the Settlement Amount into the Escrow Account within the time period set forth in ¶ 8, Defendant Releasees shall have no responsibility for, interest in, or liability whatsoever with respect to: (i) any act, omission, or determination by Class Counsel or the Claims Administrator, or any of their respective designees, in connection with the administration of the Settlement or otherwise; (ii) the management, investment, or distribution of the Settlement Fund; (iii) the Plan of Allocation; (iv) the determination, administration, calculation, or payment of any Claims asserted against the Settlement Fund; (v) any loss suffered by, or fluctuation in value of, the Settlement Fund; (vi) the payment or withholding of any Taxes, expenses, and/or costs incurred in connection with the taxation of the Settlement Fund, distributions or other payments from the Escrow Account, or the filing of any federal, state, or local returns.

11. The Settlement Fund shall be used to pay: (a) any Taxes and Tax Expenses; (b) any Notice and Administration Costs; (c) any Litigation Expenses awarded by the Court; (d) any attorneys' fees awarded by the Court; (e) any fees, expenses, or costs awarded to Class Representative by the Court; and (f) any other costs or fees approved by the Court. Under no circumstances will Defendant Releasees be required to pay more than the Settlement Amount. The balance remaining in the Settlement Fund, that is, the Net Settlement Fund, shall be distributed to Authorized Claimants as provided in ¶¶ 21-32 below.

12. Except as provided herein or pursuant to orders of the Court, the Net Settlement Fund shall remain in the Escrow Account prior to the Effective Date. All funds held by the Escrow Agent shall be deemed to be in the custody of the Court and shall remain subject to the jurisdiction of the Court until such time as the funds shall be distributed, or returned, pursuant to the terms of this Stipulation and/or further order of the Court. The Escrow Agent shall invest any funds in the Escrow Account exclusively in instruments or accounts backed by the full faith and credit of the United States Government or fully insured by the United States Government or an agency thereof, including a United States Treasury Fund or a bank account that is either (i) fully insured by the Federal Deposit Insurance Corporation (“FDIC”) or (ii) secured by instruments backed by the full faith and credit of the United States Government. The Escrow Agent shall reinvest the proceeds of these instruments or accounts as they mature in similar instruments or accounts at their then-current market rates. All risks related to the investment of the Settlement Fund in accordance with the investment guidelines set forth in this paragraph shall be borne by the Settlement Fund, and Defendant Releasees shall have no responsibility for, interest in, or liability whatsoever with respect to investment decisions or the actions of the Escrow Agent, or any transactions executed by the Escrow Agent. Provided the Escrow Agent invests the Settlement Fund as set forth herein, the Escrow Agent shall have no liability whatsoever with respect to any investment decision made in connection with Settlement Fund.

13. The Escrow Agent shall not disburse the Settlement Fund except as provided in this Stipulation. The Parties agree that the Settlement Fund is intended to be a Qualified Settlement Fund within the meaning of Treasury Regulation § 1.468B-1 and that the Claims Administrator, as administrator of the Settlement Fund within the meaning of Treasury Regulation § 1.468B-2(k)(3), shall be responsible for filing or causing to be filed all informational and other tax returns as may be necessary or appropriate (including, without limitation, the returns described in Treasury Regulation § 1.468B-2(k)) for the Settlement Fund. Taxes or Tax Expenses owed with respect to the Settlement Fund shall be timely paid by the Escrow Agent out of the Settlement Fund. The

Claims Administrator, as administrator of the Settlement Fund within the meaning of Treasury Regulation § 1.468B-2(k)(3), shall timely make such elections as are necessary or advisable to carry out this paragraph, including, as necessary, making a “relation back election,” as described in Treasury Regulation § 1.468B-1(j), to cause the Qualified Settlement Fund to come into existence at the earliest allowable date, and shall take or cause to be taken all actions as may be necessary or appropriate in connection therewith.

14. All Taxes and Tax Expenses shall be paid out of the Settlement Fund, and in all events the Defendant Releasees, Class Representative, and Class Counsel shall have no liability or responsibility whatsoever for the payment of Taxes or Tax Expenses. Taxes and Tax Expenses shall be timely paid by the Escrow Agent pursuant to the disbursement instructions to be set forth in the Escrow Agreement, and without further order of the Court, and the Escrow Agent shall be authorized (notwithstanding anything herein to the contrary) to withhold from distribution to Authorized Claimants any funds necessary to pay such amounts, including the establishment of adequate reserves for any Taxes and Tax Expenses (as well as any amounts that may be required to be withheld under Treasury Regulation § 1.468B-2(l)(2)). The Parties hereto agree to cooperate with the Escrow Agent, each other, and their tax attorneys and accountants to the extent reasonably necessary to carry out the provisions of ¶¶ 13 and 14 of this Stipulation.

15. The taxable year of the Settlement Fund shall be the calendar year in accordance with Treasury Regulation § 1.468B-2(j). The Settlement Fund shall use an accrual method of accounting within the meaning of § 446(c) of the IRS Code.

16. The Settlement is not a claims-made settlement. Upon the occurrence of the Effective Date, none of the Defendant Releasees or any other person or entity who or which paid any portion of the Settlement Amount shall have any right to the return of the Settlement Fund or any portion thereof for any reason whatsoever, including, without limitation, the number of Claim Forms submitted, the collective amount of Recognized Claims of Authorized Claimants, the percentage

of recovery of losses, or the amounts to be paid to Authorized Claimants from the Net Settlement Fund.

17. Class Counsel may approve payment from the Settlement Fund, without further approval from Defendants or further order of the Court, all Notice and Administration Costs actually incurred and paid or payable; provided, however, that Class Counsel may only approve up to \$250,000 in Notice and Administration Costs prior to the Settlement Fairness Hearing without further Court approval. Such costs and expenses shall include, without limitation, the actual costs of printing and mailing the Notice and Claim Form, publishing the Summary Notice, reimbursements to nominee owners for forwarding the Notice and Claim Form to their beneficial owners, the administrative expenses incurred and fees charged by the Claims Administrator in connection with providing notice, administering the Settlement (including processing submitted Claims), and the fees, if any, of the Escrow Agent. In the event that the Settlement is terminated pursuant to the terms of this Stipulation, all Notice and Administration Costs paid or incurred, including any related fees, shall not be returned or repaid to Defendant Releasees or any other person or entity who or which paid any portion of the Settlement Amount.

ATTORNEYS' FEES AND LITIGATION EXPENSES

18. Class Counsel will apply to the Court for an award of reasonable attorneys' fees to be paid from (and out of) the Settlement Fund. Class Counsel also will apply to the Court for reimbursement of Litigation Expenses, which may include a request for reimbursement of Class Representative's reasonable costs and expenses directly related to its representation of the Class, to be paid from (and out of) the Settlement Fund. Class Counsel's application for an award of attorneys' fees and/or Litigation Expenses is not the subject of any agreement between Defendants and Class Representative other than what is set forth in this Stipulation.

19. Class Counsel will be entitled to payment of any and all attorneys' fees and Litigation Expenses that are awarded by the Court, including any interest thereon, immediately upon the

award by the Court, notwithstanding the existence of any timely filed objections thereto, or potential for appeal therefrom, or collateral attack on the Settlement or any part thereof, subject to Class Counsel's obligation to make appropriate refunds or repayments to the Settlement Fund, plus accrued interest at the same net rate as is earned by the Settlement Fund, if the Settlement is terminated pursuant to the terms of this Stipulation or if, as a result of any appeal or further proceedings on remand, or successful collateral attack, the award of attorneys' fees and/or Litigation Expenses is reduced or reversed and such order reducing or reversing the award has become Final. Class Counsel, including its partners, and such other counsel for Class Representative, including any law firms, partners, and/or shareholders who received any portion of the fee and expense award, shall make the appropriate refund or repayment in full no later than ten (10) business days after: (a) receiving from Defendants' Counsel notice of the termination of the Settlement; or (b) any order reducing or reversing the award of attorneys' fees and/or Litigation Expenses has become Final. The procedure for, the allowance or disallowance of, and the amount of any attorneys' fees and/or Litigation Expenses are not necessary terms of this Stipulation, are not conditions of the Settlement embodied herein, and shall be considered separately from the Court's consideration of the fairness, reasonableness, and adequacy of the Settlement. The approval of the Settlement, and its becoming Final, shall not be contingent on the award of attorneys' fees and expenses, any award to Class Counsel, nor any appeals from such awards. Neither Class Representative nor Class Counsel may cancel or terminate the Settlement based on this Court's or any appellate court's ruling with respect to attorneys' fees and/or Litigation Expenses, and any appeal from any order awarding attorneys' fees and/or Litigation Expenses or any reversal or modification of any such order shall not operate to terminate or cancel this Stipulation, or affect or delay the finality of the Judgment and the Settlement of the Action set forth herein. Class Counsel shall have sole discretion to allocate payment of fees and reimbursement of expenses among Class Counsel and Liaison Counsel.

20. Defendant Releasees shall have no responsibility for or liability whatsoever with respect to the allocation or award of attorneys' fees or Litigation Expenses. The attorneys' fees and Litigation Expenses that are awarded to Class Counsel shall be payable solely from the Settlement Fund. With the sole exception of Defendants' obligation to cause the Settlement Amount to be paid into the Escrow Account pursuant to ¶ 8 above, Defendant Releasees shall have no responsibility for, and no liability whatsoever with respect to, any payment (including taxes) of attorneys' fees and/or Litigation Expenses to Class Counsel pursuant to this Stipulation, or for any other attorneys' fees and/or Litigation Expenses incurred by or on behalf of any other Class Member in connection with this Action or the Settlement.

NOTICE AND SETTLEMENT ADMINISTRATION

21. As part of the Preliminary Approval Order, Class Representative shall seek appointment of a Claims Administrator. The Claims Administrator shall administer the Settlement, including, but not limited to, the process of receiving, reviewing and approving or denying Claims, under Class Counsel's supervision and subject to the jurisdiction of the Court. None of the Defendant Releasees shall have any involvement in or any responsibility, authority, or liability whatsoever for the selection of the Claims Administrator, the Plan of Allocation, the Claims process, or disbursement of the Net Settlement Fund, and shall have no liability whatsoever to any person or entity, including, but not limited to, Class Representative, any other Class Members or Class Counsel, in connection with the foregoing or any other aspect of the administration, investment, or distribution of the Settlement, Settlement Amount and/or Settlement Fund. Defendants' Counsel shall cooperate in the administration of the Settlement to the extent reasonably necessary to effectuate its terms.

22. In accordance with the terms of the Preliminary Approval Order to be entered by the Court, the Claims Administrator shall mail or email the Notice and Claim Form to those members of the Class who have been identified through the program for notice of pendency approved by the Court in December 2020. The Claims Administrator shall publish the Summary Notice in accordance

with the terms of the Preliminary Approval Order to be entered by the Court. The Claims Administrator shall, among other duties and obligations, receive Proofs of Claim and determine whether they present valid claims in whole or part, work with Class Members as needed to help them supplement or clarify their Proofs of Claim, and determine each Authorized Claimant's pro rata share of the Net Settlement Fund based upon each Authorized Claimant's Recognized Claim compared to the total Recognized Claims of all Authorized Claimants (as set forth in the Plan of Allocation, or in such other plan of allocation as the Court approves).

23. The Plan of Allocation proposed in the Notice is not a necessary term of the Settlement or of this Stipulation, and it is not a condition of the Settlement or of this Stipulation that any particular plan of allocation be approved by the Court. Class Representative and Class Counsel may not cancel or terminate the Settlement (or this Stipulation) based on this Court's or any appellate court's ruling with respect to the Plan of Allocation or any other plan of allocation approved in this Action. Any order or proceeding relating to the Plan of Allocation shall not operate to terminate or cancel this Stipulation or affect the finality of the Court's Judgment approving this Stipulation and the Settlement set forth herein, or any other orders entered pursuant to the Stipulation. Defendant Releasees shall not object in any way to Class Representative's Plan of Allocation or any other plan of allocation in this Action. None of the Defendant Releasees shall have any involvement with or liability, obligation, or responsibility whatsoever for the application of the Court-approved plan of allocation.

24. Any Class Member who does not submit a valid Claim Form will not be entitled to receive any distribution from the Net Settlement Fund, but will otherwise be bound by all of the terms of this Stipulation and Settlement, including the terms of the Judgment, to be entered in the Action and the Releases provided for herein and therein, and will be permanently barred and enjoined from bringing any action, claim, or other proceeding of any kind against any of the Defendant Releasees with respect to the Released Plaintiffs' Claims in the event that the Effective Date occurs with respect to the Settlement.

25. The Claims Administrator shall administer and calculate the claims submitted by Class Members and shall oversee distribution of the Settlement Fund to Authorized Claimants. None of the Defendant Releasees shall have any responsibility for, interest in, or liability for any such decision. Class Counsel shall have the right, but not the obligation, to waive what it deems to be formal or technical defects in any Claims submitted in the interests of achieving substantial justice.

26. For purposes of determining the extent, if any, to which a Class Member shall be entitled to be treated as an Authorized Claimant, the following conditions shall apply:

(a) Each Claimant shall be required to submit a Claim in paper form, substantially in the form attached hereto as Exhibit 2 to Exhibit A, or in electronic form, in accordance with the instructions for the submission of such Claims, and supported by such documents as are designated therein, including proof of the Claimant's claimed loss, or such other documents or proof as the Claims Administrator or Class Counsel, in their discretion, may deem acceptable;

(b) All Claims must be submitted by the date set by the Court in the Preliminary Approval Order and specified in the Notice. Any Class Member who fails to submit a Claim by such date shall be forever barred from receiving any distribution from the Net Settlement Fund or payment pursuant to this Stipulation (unless by Order of the Court such Class Member's Claim Form is accepted), but shall in all other respects be bound by all of the terms of this Stipulation and the Settlement, including the terms of the Judgment, and the Releases provided for herein and therein, and will be permanently barred and enjoined from bringing any action, claim, or other proceeding of any kind against any of the Defendant Releasees with respect to any Released Plaintiffs' Claim. A Claim Form shall be deemed to be submitted when postmarked, if received with a postmark indicated on the envelope and if mailed by first-class mail and addressed in accordance with the instructions thereon. In all other cases, the Claim Form shall be deemed to have been submitted on the date when actually received by the Claims Administrator;

(c) Each Claim shall be submitted to and reviewed by the Claims Administrator who shall determine in accordance with this Stipulation and the Plan of Allocation the extent, if any, to which each Claim shall be allowed, subject to review by the Court pursuant to subparagraph (e) below as necessary;

(d) Claims that do not meet the submission requirements may be rejected. Prior to rejecting a Claim in whole or in part, the Claims Administrator shall communicate with the Claimant in writing, to give the Claimant the chance to remedy any curable deficiencies in the Claim Form submitted. The Claims Administrator shall notify, in a timely fashion and in writing, all Claimants whose Claim the Claims Administrator proposes to reject in whole or in part, setting forth the reasons therefor, and shall indicate in such notice that the Claimant whose Claim is to be rejected has the right to review by the Court if the Claimant so desires and complies with the requirements of subparagraph (e) below; and

(e) If any Claimant whose Claim has been rejected in whole or in part desires to contest such rejection, the Claimant must, within twenty (20) days after the date of mailing of the notice required in subparagraph (d) above, serve upon the Claims Administrator a notice and statement of reasons indicating the Claimant's grounds for contesting the rejection along with any supporting documentation, and requesting a review thereof by the Court. If a dispute concerning a Claim cannot be otherwise resolved, Class Counsel shall thereafter present the request for review to the Court.

(f) The administrative determinations of the Claims Administrator accepting and rejecting Claims shall be presented to the Court for approval by the Court in the proposed Class Distribution Order.

27. Each Claimant shall be deemed to have submitted to the jurisdiction of the Court with respect to the Claimant's Claim, and the Claim will be subject to investigation and discovery under the Federal Rules of Civil Procedure; provided, however, that such investigation and discovery shall be limited to that Claimant's status as a Class Member and the validity and amount of the Claimant's Claim. No discovery shall be allowed on the merits of this Action or of the Settlement in connection with the processing of Claims.

28. The Net Settlement Fund shall be distributed to Authorized Claimants by the Claims Administrator only after the later of the Effective Date having occurred; the Court having approved a plan of allocation in an order that has become Final; and the Court issuing a Class Distribution Order that has become Final.

29. Class Counsel will apply to the Court, on reasonable notice to Defendants' Counsel, for a Class Distribution Order: (a) approving the Claims Administrator's administrative determinations concerning the acceptance and rejection of the Claims submitted; (b) approving payment of any administration fees and expenses associated with the administration of the Settlement from the Escrow Account; and (c) if the Effective Date has occurred, directing payment of the Net Settlement Fund to Authorized Claimants from the Escrow Account.

30. Payment pursuant to the Class Distribution Order shall be final and conclusive against all Class Members. All Class Members who do not submit a Claim or whose Claims are not approved by the Court for payment shall be barred from participating in distributions from the Net Settlement Fund, but otherwise shall be bound by all of the terms of this Stipulation and the Settlement, including the terms of the Judgment to be entered in this Action; and by the Releases provided for herein and therein, and will be permanently barred and enjoined from bringing any action against any and all Defendant Releasees with respect to any and all of the Released Plaintiffs' Claims.

31. No person or entity shall have any claim against Class Representative, Class Counsel, the Claims Administrator, or any other agent designated by Class Counsel, or the Defendant Releasees

and/or their respective counsel, arising from distributions made substantially in accordance with the Stipulation, the plan of allocation approved by the Court, or any order of the Court. Class Representative and Defendants, and their respective counsel, Class Representative's damages consultant/expert, and all other Releasees shall have no liability whatsoever for the investment or distribution of the Settlement Fund or the Net Settlement Fund, the plan of allocation, or the determination, administration, calculation, or payment of any Claim or nonperformance of the Claims Administrator, the payment or withholding of Taxes (including interest and penalties) of Tax Expenses owed by the Settlement Fund, or any losses incurred in connection therewith.

32. All proceedings with respect to the administration, processing, and determination of Claims and the determination of all controversies relating thereto, including disputed questions of law and fact with respect to the validity of Claims, shall be subject to the jurisdiction of the Court, but shall not in any event delay or affect the finality of the Judgment. All Class Members, other Claimants, and the Parties to this Settlement expressly waive trial by jury (to the extent any such right may exist) and any right of appeal or review with respect to such determinations.

TERMS OF THE JUDGMENT

33. If the Settlement contemplated by this Stipulation is approved by the Court, Class Counsel and Defendants' Counsel shall request that the Court enter a Judgment, substantially in the form attached hereto as Exhibit B.

CONDITIONS OF SETTLEMENT AND EFFECT OF DISAPPROVAL, CANCELLATION, OR TERMINATION

34. The Effective Date of the Settlement shall be deemed to occur on the occurrence or waiver of all of the following events:

(a) the Court has entered the Preliminary Approval Order, substantially in the form set forth in Exhibit A attached hereto, as required by ¶ 2 above;

(b) the Settlement Amount has been deposited into the Escrow Account in accordance with the provisions of ¶ 8 above;

(c) Defendants have not exercised their option to terminate the Settlement pursuant to the provisions of this Stipulation or the Supplemental Agreement;

(d) Class Representative has not exercised its option to terminate the Settlement pursuant to the provisions of this Stipulation; and

(e) the Court has approved the Settlement as described herein, following notice to the Class and a hearing, as prescribed by Rule 23 of the Federal Rules of Civil Procedure, and entered the Judgment and the Judgment has become Final.

35. If the Settlement Amount is not paid into the Escrow Account in accordance with ¶ 8 of this Stipulation, then Class Representative in its sole discretion, and not Defendants, shall have the right to terminate the Settlement and Stipulation by providing written notice to Defendants at any time prior to the Court's entry of Final Judgment. Notwithstanding the foregoing, Defendants shall have a period of ten (10) business days after Class Representative provides written notice of their intent to terminate the Settlement and Stipulation in which to cure the alleged non-compliance with ¶ 8 of this Stipulation. If Defendants cure such alleged non-compliance within that ten (10) business day period, then Class Representative shall not have the right to terminate the Settlement and Stipulation.

36. Simultaneously herewith, Plaintiff and Defendants are executing a "Supplemental Agreement" setting forth certain conditions under which this Settlement may be withdrawn or terminated at Defendants' sole discretion if the number of shares by Class Members who exclude themselves from the Class by timely submitting valid exclusion requests exceeds the Opt-out Threshold as defined in the Supplemental Agreement. The Supplemental Agreement shall not be filed with the Court unless a dispute arises with respect to its terms or application or if the Court requires disclosure of the Supplemental Agreement or some or all of its contents. If required by the Court, the Supplemental Agreement and/or any of its terms may be disclosed to the Court in

camera for purposes of approval of the Settlement, but such disclosure shall be carried out to the fullest extent possible in accordance with the practices of the Court so as to preserve the confidentiality of the Supplemental Agreement, particularly the Opt-out Threshold. In the event that the Court requires the Supplemental Agreement or some or all of its contents to be publicly disclosed including in the Notice and/or filed with the Court, all terms of the Supplemental Agreement other than those relating to confidentiality shall remain in full force and effect, and any such requirement by the Court for disclosure of the Supplemental Agreement or some or all of its contents shall not constitute a basis for any Party to void the Settlement. In the event of a termination of this Settlement pursuant to the Supplemental Agreement, this Stipulation and Settlement shall become null and void and of no further force and effect, except that the provisions of ¶ 38 below shall survive termination.

37. Upon the occurrence of all of the events referenced in ¶ 34 above, any and all remaining interest or right of any of the Defendant Releasees in or to the Settlement Fund, if any, shall be absolutely and forever extinguished, and the Releases herein shall be effective.

38. If (i) Defendants exercise their right to terminate the Settlement as provided in this Stipulation or the Supplemental Agreement; (ii) Class Representative exercises its right to terminate the Settlement as provided in this Stipulation; (iii) the Court disapproves the Settlement; or (iv) the Effective Date as to the Settlement otherwise fails to occur, then:

(a) the Settlement and the relevant portions of this Stipulation shall be canceled and terminated;

(b) Class Representative and Defendants shall revert to their respective positions in the Action as of the date immediately prior to the execution of this Stipulation;

(c) the terms and provisions of this Stipulation, with the exception of this ¶ 38 and ¶¶ 17, 19, 42 and 59, shall have no further force and effect with respect to the Parties and shall not be used in the Action or in any other proceeding for any purpose, and any Judgment or order entered

by the Court in accordance with the terms of this Stipulation shall be treated as vacated, *nunc pro tunc*; and

(d) Within ten (10) business days after joint written notification of termination is sent by Defendants' Counsel and Class Counsel to the Escrow Agent, the Settlement Fund (including accrued interest thereon and any funds received by Class Counsel consistent with ¶ 19 above), less any Notice and Administration Costs actually incurred, paid or payable and less any Taxes and Tax Expenses paid, due or owing shall be returned by the Escrow Agent to Defendants. In the event that the funds received by Class Counsel consistent with ¶ 19 above have not been refunded to the Settlement Fund within the ten (10) business days specified in this paragraph, those funds shall be refunded by the Escrow Agent to Defendants immediately upon their deposit into the Escrow Account consistent with ¶ 19 above. In addition, the Escrow Agent or its designee shall apply for any tax refund owed on the Settlement Amount and pay the proceeds, after deduction of any fees or expenses incurred in connection with such application(s) for the refund to the Defendants in the same manner as the Settlement Fund described in this Paragraph. Such payments shall be pursuant to written instructions from Defendants' Counsel.

39. It is further stipulated and agreed that Class Representative, on the one hand, and Defendants, on the other hand, shall each have the right to terminate the Settlement and this Stipulation, by providing written notice of their election to do so ("Termination Notice") to the other Parties to this Stipulation within thirty (30) days of: (a) the Court's final refusal to enter the Preliminary Approval Order in any material respect; (b) the Court's final refusal to approve the Settlement or any material part thereof; (c) the Court's final refusal to enter the Judgment in any material respect as to the Settlement; or (d) the date upon which the Judgment is modified or reversed in any material respect by the United States Court of Appeals for the Sixth Circuit or the United States Supreme Court; and in the event of any such termination the provisions of ¶ 38 above

shall apply. However, any decision or proceeding, whether in this Court or any appellate court, with respect to an application for attorneys' fees or reimbursement of Litigation Expenses or with respect to any plan of allocation shall not be considered material to the Settlement, shall not affect the finality of any Judgment and shall not be grounds for termination of the Settlement.

OPT-OUTS & OPT-OUT THRESHOLD

40. All persons and entities who are entitled to be Class Members shall have the right to exclude themselves, or opt out, from the Class. Such Class Members who wish to elect or opt out must submit a written request for exclusion that satisfies the requirements set forth in the Notice, Section 11 "Requesting Exclusion From The Class." All Class Members who validly opt out shall be excluded from any and all rights and obligations under the Settlement, but those who do not opt out in the manner and time prescribed in this Stipulation shall be deemed to be members of the Class regardless of whether such person or entity timely files a Proof of Claim, unless otherwise ordered by the Court.

41. No later than seven (7) calendar days following the exclusion deadline, the Claims Administrator shall provide to Defendants' Counsel and Class Counsel copies of all exclusion requests.

NO ADMISSION OF WRONGDOING

42. Neither this Stipulation (whether or not consummated), including the exhibits hereto and the Plan of Allocation contained therein (or any other plan of allocation that may be approved by the Court), the negotiations leading to the execution of this Stipulation, nor any proceedings taken pursuant to or in connection with this Stipulation and/or approval of the Settlement (including any arguments proffered in connection therewith):

(a) shall be offered against any of the Defendant Releasees as evidence of, or construed as, or deemed to be evidence of any presumption, concession, or admission by any of the Defendant Releasees with respect to the truth of any fact alleged by Class Representative or the

validity of any claim that was or could have been asserted or the deficiency of any defense that has been or could have been asserted in this Action or in any other litigation, or of any liability, negligence, fault, or other wrongdoing of any kind of any of the Defendant Releasees or in any way referred to for any other reason as against any of the Defendant Releasees, in any arbitration proceeding or other civil, criminal, or administrative action or proceeding, other than such proceedings as may be necessary to effectuate the provisions of this Stipulation;

(b) shall be offered against any of the Defendant Releasees as evidence of, or construed as, or deemed to be evidence of any presumption, concession, or admission of any fault, misrepresentation, or omission with respect to any statement or written document approved or made by any of the Defendant Releasees;

(c) shall be offered against Class Representative or any of the Plaintiff Releasees, as evidence of, or construed as, or deemed to be evidence of any presumption, concession, or admission by Class Representative or any of the Plaintiff Releasees that any of their claims are without merit, that any of the Defendant Releasees had meritorious defenses, or that damages recoverable under the complaint would not have exceeded the Settlement Amount or with respect to any liability, negligence, fault, or wrongdoing of any kind, or in any way referred to for any other reason as against Class Representative or any of the Plaintiff Releasees, in any civil, criminal, or administrative action or proceeding, other than such proceedings as may be necessary to effectuate the provisions of this Stipulation; or

(d) shall be construed against any of the Releasees as an admission, concession, or presumption that the consideration to be given hereunder represents the amount which could be or would have been recovered after trial; provided, however, that if this Stipulation is approved by

the Court, the Parties and the Releasees and their respective counsel may refer to it to effectuate the protections from liability granted hereunder or otherwise to enforce the terms of the Settlement.

MISCELLANEOUS PROVISIONS

43. All of the exhibits attached hereto are hereby incorporated by reference as though fully set forth herein. Notwithstanding the foregoing, in the event that there exists a conflict or inconsistency between the terms of this Stipulation and the terms of any exhibit attached hereto, the terms of the Stipulation shall prevail.

44. Pursuant to the Class Action Fairness Act (“CAFA”), no later than ten (10) calendar days after the Stipulation is filed with the Court, Defendants, at their own cost, shall serve proper notice of the proposed Settlement upon those who are entitled to notice pursuant to CAFA. The Parties agree that any delay by Defendants in timely serving the CAFA notice will not provide grounds for delay of the Settlement Fairness Hearing or entry of the Judgment.

45. The Parties intend this Stipulation and the Settlement to be a final and complete resolution of all disputes asserted or which could be asserted by Class Representative and any Class Members against the Defendant Releasees with respect to the Released Plaintiffs’ Claims. Accordingly, Class Representative and their counsel and Defendants and their counsel agree not to assert in any forum that this Action was brought by Class Representative or defended by Defendants in bad faith or without a reasonable basis. No party shall assert any claims of any violation of Rule 11 of the Federal Rules of Civil Procedure, or of 28 U.S.C. Section 1927, or otherwise make any accusation of wrongful or actionable conduct by any other Party, relating to the institution, prosecution, defense, or settlement of this Action. The Parties agree that the amounts paid and the other terms of the Settlement were negotiated at arm’s-length and in good faith by the Parties, and reflect the Settlement that was reached voluntarily after extensive negotiations and consultation with experienced legal counsel, who were fully competent to assess the strengths and weaknesses of their respective clients’ claims or defenses.

46. In all events, Class Representative and its counsel and Defendants and their counsel shall not make any accusations of wrongful or actionable conduct by either Party concerning the prosecution, defense, and resolution of the Action, and shall not otherwise suggest that the Settlement constitutes an admission of any claim or defense alleged.

47. The terms of the Settlement, as reflected in this Stipulation, may not be modified or amended, nor may any of its provisions be waived except by a writing signed on behalf of both Class Representative and Defendants (or their successors-in-interest).

48. The headings herein are used for the purpose of convenience only and are not meant to have legal effect.

49. Pending approval of the Court of this Stipulation and its exhibits, all proceedings in this Action shall be stayed and all members of the Class shall be barred and enjoined from prosecuting any of the Released Plaintiffs' Claims against any of the Defendant Releasees.

50. The administration and consummation of the Settlement as embodied in this Stipulation shall be under the authority of the Court, and the Court shall retain jurisdiction for the purpose of entering orders providing for awards of attorneys' fees and Litigation Expenses to Class Counsel and enforcing the terms of this Stipulation, including the Plan of Allocation (or such other plan of allocation as may be approved by the Court) and the distribution of the Net Settlement Fund to Class Members.

51. The waiver by one Party of any breach of this Stipulation by any other Party shall not be deemed a waiver of any other prior or subsequent breach of this Stipulation.

52. This Stipulation, its exhibits, and the Supplemental Agreement constitute the entire agreement among Class Representative and Defendants concerning the Settlement. All Parties acknowledge that no other agreements, representations, warranties, or inducements have been

made by any Party hereto concerning this Stipulation or its exhibits other than those contained and memorialized in such documents.

53. This Stipulation may be executed in one or more counterparts, including by signature transmitted via facsimile, or by a .pdf/.tif image of the signature transmitted via email. All executed counterparts and each of them shall be deemed to be one and the same instrument.

54. This Stipulation shall be binding upon and inure to the benefit of the successors and assigns of the Parties, including any and all Releasees and any corporation, partnership, limited liability company, or other entity into or with which any party hereto may merge, consolidate, or reorganize.

55. The construction, interpretation, operation, effect, and validity of this Stipulation and all documents necessary to effectuate it shall be governed by the internal, substantive laws of the State of Tennessee without regard to its choice-of-laws principles, except to the extent that federal law requires that federal law govern.

56. Any action arising under or to enforce this Stipulation or any portion thereof shall be commenced and maintained only in the Court.

57. This Stipulation shall not be construed more strictly against one Party than another merely by virtue of the fact that it, or any part of it, may have been prepared by counsel for one of the Parties, it being recognized that it is the result of arm's-length negotiations between the Parties and all Parties have contributed substantially and materially to the preparation of this Stipulation.

58. All counsel and any other person executing this Stipulation and any of the exhibits hereto, or any related Settlement documents, warrant and represent that they have the full authority to do so and that they have the authority to take appropriate action required or permitted to be taken pursuant to the Stipulation to effectuate its terms.

59. Class Counsel and Defendants' Counsel agree to cooperate fully with one another in seeking Court approval of the Preliminary Approval Order and the Settlement, as embodied in this Stipulation, and to use best efforts to promptly agree upon and execute all such other documentation as may be reasonably required to obtain final approval by the Court of the Settlement.

60. If any Party is required to give notice to another Party under this Stipulation, such notice shall be in writing and shall be deemed to have been duly given upon receipt of hand delivery or email transmission, with confirmation of receipt. Notice shall be provided as follows:

61. The Court shall retain jurisdiction with respect to implementation and enforcement of the terms of this Stipulation, and all Parties submit to the jurisdiction of the Court for purposes of implementing and enforcing the Settlement embodied in this Stipulation and matters related to the Settlement.

62. To the extent there are disputes regarding the interpretation of any term of this Stipulation, the Parties will attempt to resolve any such dispute in good faith. If the Parties fail to resolve the dispute, or in the event of a breach of the terms of the Settlement, any non-breaching Party shall

be entitled to bring an action seeking to enforce those provisions, and the exclusive forum for any such action shall be this Court.

63. Except as otherwise provided herein, each Party shall bear its own fees and costs.

64. All agreements made and orders entered during the course of this Action relating to the confidentiality of information shall survive this Settlement.

65. No opinion or advice concerning the tax consequences of the proposed Settlement to individual Class Members is being given or will be given by the Parties or their counsel; nor is any representation or warranty in this regard made by virtue of this Stipulation. Each Class Member's tax obligations, and the determination thereof, are the sole responsibility of the Class Member, and it is understood that the tax consequences may vary depending on the particular circumstances of each individual Class Member.

66. Unless otherwise provided, the Parties may agree to reasonable extensions of time to carry out any of the provisions of this Stipulation without further order of the Court.

IN WITNESS WHEREOF, the Parties hereto have caused this Stipulation to be executed by their duly authorized attorneys, as of June 10, 2021.
