SOUTHERN DISTRICT OF NEW YORK**

IN RE PEABODY ENERGY CORP. SECURITIES LITIGATION	: : : : :	Case No. 1:20-cv-08024-PKC
---	-----------------------	----------------------------

**NOTICE OF PENDENCY OF CLASS ACTION, PROPOSED SETTLEMENT,
AND MOTION FOR ATTORNEYS’ FEES AND EXPENSES**

If you purchased or otherwise acquired Peabody Energy Corp. publicly traded common stock during the period from April 3, 2017 through October 28, 2019, inclusive (the “Settlement Class Period”), you may be entitled to a payment from a class action settlement.

A Federal Court authorized this Notice. This is not a solicitation from a lawyer.

- This Notice describes important rights you may have and what steps you must take if you wish to participate in the Settlement of this securities class action, wish to object, or wish to be excluded from the Settlement Class.¹
- If approved by the Court, the proposed Settlement will create a \$4,625,000 cash fund, plus earned interest, if any, for the benefit of Settlement Class Members after the deduction of Court-approved fees, expenses, and Settlement Fund Taxes. This is an average recovery of approximately \$0.04 per allegedly damaged share before deductions for awarded attorneys’ fees and Litigation Expenses, and \$0.03 per allegedly damaged share after deductions for awarded attorneys’ fees and Litigation Expenses, as discussed more below.
- The Settlement resolves claims by Court-appointed Lead Plaintiff Oregon Public Employees Retirement Fund (“Lead Plaintiff”) asserted on behalf of the Settlement Class (defined below) against Peabody Energy Corporation (“Peabody” or the “Company”), Glenn L. Kellow, and Amy B. Schwetz (collectively, “Defendants,” and, together with Lead Plaintiff, the “Parties”). It avoids the costs and risks of continuing the litigation; pays money to eligible investors; and releases the Released Defendant Parties (defined below) from liability.

If you are a Settlement Class Member, your legal rights will be affected by this Settlement whether you act or do not act. Please read this Notice carefully.

OBJECT ON OR BEFORE JANUARY 17, 2023	Write to the Court about why you do not like the Settlement, the Plan of Allocation for distributing the proceeds of the Settlement, and/or Lead Counsel’s Fee and Expense Application. If you object, you will still be in the Settlement Class. <i>See</i> Question 14 for details.
PARTICIPATE IN A HEARING ON FEBRUARY 7, 2023 AND FILE A NOTICE OF INTENTION TO APPEAR BY JANUARY 17, 2023	Ask to speak to the Court at the Settlement Hearing about the Settlement. <i>See</i> Question 18 for details.

¹ The terms of the Settlement are in the Stipulation and Agreement of Settlement, dated as of October 7, 2022 (the “Stipulation”), which can be viewed at www.strategicclaims.net/Peabody/. All capitalized terms not defined in this Notice have the same meanings as in the Stipulation.

- These rights and options—**and the deadlines to exercise them**—are explained below.
- The Court in charge of this case still has to decide whether to approve the proposed Settlement. Payments will be made to Settlement Class Members who timely submit valid Claim Forms, if the Court approves the Settlement and after any appeals are resolved.

PSLRA SUMMARY OF THE NOTICE

Statement of the Settlement Class’s Recovery

1. Lead Plaintiff has entered into the proposed Settlement with Defendants which, if approved by the Court, will resolve the Action in its entirety. Subject to Court approval, Lead Plaintiff, on behalf of the Settlement Class, has agreed to settle the Action in exchange for a payment of \$4,625,000 (the “Settlement Amount”), which will be deposited into an Escrow Account (the “Settlement Fund”). Based on Lead Plaintiff’s consulting damages expert’s estimate of the number of shares of Peabody publicly traded common stock eligible to participate in the Settlement, and assuming that all investors eligible to participate in the Settlement do so, it is estimated that the average recovery, before deduction of any Court-approved fees and expenses, such as attorneys’ fees, Litigation Expenses, award to Lead Plaintiff pursuant to the Private Securities Litigation Reform Act of 1995 (“PSLRA”), Settlement Fund Taxes, and Notice and Administration Expenses, would be approximately \$0.04 per allegedly damaged share.² If the Court approves Lead Counsel’s Fee and Expense Application (discussed below), the average recovery would be approximately \$0.03 per allegedly damaged share. **These average recovery amounts are only estimates and Settlement Class Members may recover more or less than these estimates.** A Settlement Class Member’s actual recovery will depend on, for example: (i) the number of claims submitted; (ii) the amount of the Net Settlement Fund; (iii) when and how many shares of Peabody publicly traded common stock the Settlement Class Member purchased during the Settlement Class Period; and (iv) whether and when the Settlement Class Member sold their common stock. See the Plan of Allocation beginning on page 9 for information on the calculation of your Recognized Claim.

Statement of Potential Outcome of Case if the Action Continued to Be Litigated

2. The Parties disagree about both liability and damages and do not agree about the amount of damages that would be recoverable if Lead Plaintiff were to prevail on each claim. The issues that the Parties disagree about include, for example: (i) whether Defendants made any statements or omitted any facts that were materially false or misleading, or otherwise actionable under the federal securities laws; (ii) whether any such statements or omissions were made with the requisite level of intent or recklessness; and (iii) the amounts by which the price of Peabody publicly traded common stock was allegedly artificially inflated, if at all, during the Settlement Class Period.

3. Defendants have denied and continue to deny any and all allegations of wrongdoing or fault asserted in the Action, deny that they have committed any act or omission giving rise to any liability or violation of law, deny each and every one of the claims alleged by Lead Plaintiff in the Action on behalf of the Settlement Class, and deny that Lead Plaintiff and the Settlement Class have suffered any loss attributable to Defendants’ actions or omissions. Defendants assert that, at all times, they acted in good faith and in a manner they reasonably believed to be in accordance with all applicable rules, regulations, and laws, and that they did not make any false or misleading statements and disclosed all information required to be disclosed by the federal securities laws.

Statement of Attorneys’ Fees and Expenses Sought

4. Lead Counsel will apply to the Court for an award of attorneys’ fees from the Settlement Fund in an amount not to exceed 25% of the Settlement Fund, *i.e.*, \$1,156,250, plus accrued interest at the same rate earned by the Settlement Fund, if any. Lead Counsel will also apply for payment of Litigation Expenses incurred in prosecuting the Action in an amount not to exceed \$250,000, plus accrued interest at the same rate earned by the Settlement Fund, which may include an application pursuant to the PSLRA for the reasonable costs and expenses (including lost wages) of Lead Plaintiff directly related to its representation of the Settlement Class. If the Court approves Lead Counsel’s Fee and Expense Application in full, the average amount of fees and expenses is estimated to be approximately \$0.01 per allegedly damaged share of Peabody publicly traded common stock. A copy of the

² An allegedly damaged share might have been traded, and potentially damaged, more than once during the Settlement Class Period, and the average recovery indicated above represents the estimated average recovery for each share that allegedly incurred damages.

Fee and Expense Application will be posted on www.strategicclaims.net/Peabody/ and www.labaton.com after it has been filed with the Court.

Reasons for the Settlement

5. For Lead Plaintiff, the principal reason for the Settlement is the guaranteed cash benefit to the Settlement Class. This benefit must be compared to the uncertainty of being able to prove the allegations in the Complaint; the risk that the Court may grant some or all of the anticipated summary judgment motions to be filed by Defendants; the uncertainty of a greater recovery after a trial and appeals; and the difficulties and delays inherent in such litigation.

6. For Defendants, who deny all allegations of wrongdoing or liability whatsoever and deny that Settlement Class Members were damaged, the principal reasons for entering into the Settlement are to avoid the further burden, inconvenience and expense of the Action, and the distraction and diversion of personnel and resources. Defendants have determined that it is desirable to obtain the conclusive and complete dismissal of this Action.

Identification of Representatives

7. Lead Plaintiff and the Settlement Class are represented by Lead Counsel: Christine M. Fox, Esq., Labaton Sucharow LLP, 140 Broadway, New York, NY 10005, (888) 219-6877, settlementquestions@labaton.com.

8. Further information regarding the Action, the Settlement, and this Notice may be obtained by contacting the Claims Administrator: Strategic Claims Services, (866) 274-4004, www.strategicclaims.net/Peabody/.

Please Do Not Call the Court with Questions About the Settlement.

BASIC INFORMATION

1. Why did I get this Notice?

9. The Court authorized that this Notice be sent to you because you or someone in your family may have purchased Peabody publicly traded common stock during the period from April 3, 2017 through October 28, 2019, inclusive (the "Settlement Class Period"). **Receipt of this Notice does not mean that you are a member of the Settlement Class or that you will be entitled to receive a payment. The Parties do not have access to your individual investment information. If you wish to be eligible for a payment, you are required to submit the Claim Form that is being distributed with this Notice. See Question 8 below.**

10. The Court directed that this Notice be sent to Settlement Class Members because they have a right to know about the proposed Settlement of this class action lawsuit, and about all of their options, before the Court decides whether to approve the Settlement.

11. The Court in charge of the Action is the United States District Court for the Southern District of New York, and the case is known as *In re Peabody Energy Corp. Securities Litigation*, Case No. 1:20-cv-08024-PKC. The Action is assigned to the Honorable P. Kevin Castel, United States District Judge.

2. How do I know if I am part of the Settlement Class?

12. By the Preliminary Approval Order, the Court preliminarily certified the Action as a class action on behalf of the following Settlement Class. Everyone who fits the following description is a Settlement Class Member and subject to the Settlement unless they are an excluded person (*see* Question 3 below) or take steps to exclude themselves from the Settlement Class (*see* Question 10 below):

All persons and entities who or which purchased or otherwise acquired Peabody publicly traded common stock during the period from April 3, 2017 through October 28, 2019, inclusive, and were allegedly damaged thereby.

13. However, if you received shares on or around April 3, 2017 as a result of Peabody's reissuance of shares in accordance with the Second Amended Joint Plan of Reorganization and Emergence from the Chapter 11 cases then pending before the U.S. Bankruptcy Court for the Eastern District of Missouri (*In re Peabody Energy Corporation, et al.*, Case No. 16-42529, "Chapter 11 Cases"), **this does not make you a member of the Settlement Class.** Those shares are not eligible for a recovery because they were originally purchased *before* the Settlement

Class Period. **Only submit a Claim Form if you purchased *new* publicly traded shares during the Settlement Class Period.**

14. Check your investment records or contact your broker to see if you have any eligible purchases. The Parties do not independently have access to your trading information.

3. Are there exceptions to being included?

15. Yes. There are some individuals and entities who are excluded from the Settlement Class by definition. Excluded from the Settlement Class are: (i) Defendants; (ii) members of the immediate families of the Individual Defendants; (iii) any person who was an officer or director of Peabody during the Settlement Class Period; (iv) any firm, trust, corporation, or other entity in which any Defendant has or had a controlling interest; (v) Peabody's employee retirement and benefit plan(s) and their participants or beneficiaries, to the extent they made purchases through such plan(s); and (vi) the legal representatives, affiliates, heirs, successors-in-interest, and/or assigns of any such excluded person or entity. Also excluded from the Settlement Class is anyone who timely and validly seeks exclusion from the Settlement Class in accordance with the procedures described in Question 10 below.

4. Why is this a class action?

16. In a class action, one or more persons or entities (in this case, Lead Plaintiff), sue on behalf of people and entities who have similar claims. Together, these people and entities are a "class," and each is a "class member." A class action allows one court to resolve, in a single case, many similar claims that, if brought separately by individual people, might be too small economically to litigate. One court resolves the issues for all class members at the same time, except for those who exclude themselves, or "opt-out," from the class.

5. What is this case about and what has happened so far?

17. On March 19, 2021, Lead Plaintiff filed the Consolidated Amended Class Action Complaint (the "Complaint") asserting claims against all Defendants under Section 10(b) of the Securities Exchange Act of 1934 (the "Exchange Act") and Rule 10b-5 promulgated thereunder, and Section 20(a) of the Exchange Act against Defendants Kellow and Schwetz. Among other things, the Complaint alleged that Defendants made materially false and misleading statements and omissions with respect to: (i) Peabody's commitment to safety; (ii) the circumstances and timing of a September 2018 fire at the Company's North Goonyella mine in Queensland, Australia; and (iii) the timing of resumption of coal production at the North Goonyella mine following the September 2018 fire. The Complaint further alleged that the price of Peabody common stock was artificially inflated and artificially maintained as a result of Defendants' allegedly false and misleading statements and omissions and declined when the truth was revealed through a series of partial corrective disclosures.

18. On June 7, 2021, Defendants filed a motion to dismiss the Complaint. On July 22, 2021, Lead Plaintiff filed its memorandum of law in opposition to the motion to dismiss and, on August 23, 2021, Defendants filed their reply. On March 7, 2022, the Court entered its Opinion and Order granting in part and denying in part Defendants' motion to dismiss the Complaint. As a result of the Opinion and Order, the case proceeded to discovery on two alleged misstatements, both made on September 25, 2018, related to the circumstances and timing of the September 2018 fire at the Company's North Goonyella mine in Queensland, Australia.

19. On April 6, 2022, the Defendants filed their Answer to the Complaint.

20. Discovery in the Action commenced in April 2022, and the Parties began the exchange of document productions in July 2022.

21. On July 15, 2022, Lead Plaintiff filed its motion to certify a class for the period from September 22, 2018 through September 28, 2018, inclusive, and for the appointment of class representative and class counsel. In July 2022, the Parties engaged in discovery related to Lead Plaintiff's motion for class certification.

22. After the Parties began exploring the possibility of reaching a negotiated resolution of the Action, they agreed to participate in a formal mediation and retained David M. Murphy of Phillips ADR to serve as mediator (the "Mediator").

23. On July 29, 2022, the Parties participated in a full-day mediation session before the Mediator. At the conclusion of the full-day mediation session, the Parties reached an agreement in principle to settle the Action,

which was memorialized in a term sheet executed and finalized on August 2, 2022, subject to the execution of the Stipulation and related papers.

24. The Stipulation (together with the exhibits thereto) reflects the final and binding agreement between the Parties.

THE SETTLEMENT BENEFITS

7. What does the Settlement provide?

25. In exchange for the Settlement and the release of the Released Claims against the Released Defendant Parties (*see* Question 9 below), Defendants have agreed to cause a \$4,625,000 payment to be made, which, along with any interest earned, will be distributed after deduction of Court-awarded attorneys' fees and litigation expenses, Notice and Administration Expenses, Settlement Fund Taxes, and any other fees or expenses approved by the Court (the "Net Settlement Fund"), to Settlement Class Members who submit valid and timely Claim Forms and are found to be eligible to receive a distribution from the Net Settlement Fund.

8. How can I receive a payment?

26. To qualify for a payment from the Net Settlement Fund, you must submit a timely and valid Claim Form. A Claim Form is included with this Notice. You may also obtain one from the Claims Administrator's website www.strategicclaims.net/Peabody/, or submit a claim online at www.strategicclaims.net/Peabody/. You can also request that a Claim Form be mailed to you by calling the Claims Administrator toll-free at (866) 274-4004.

27. Please read the instructions contained in the Claim Form carefully, fill out the Claim Form, include all the documents the form requests, sign it, and mail or submit it to the Claims Administrator so that it is **postmarked or received no later than February 2, 2023**.

28. **PLEASE NOTE:** If you **ONLY** received shares on or around April 3, 2017 as a result of Peabody's reissuance of shares in accordance with the Second Amended Joint Plan of Reorganization and Emergence from the Chapter 11 Cases, **DO NOT SUBMIT A CLAIM FORM**. Those shares are not eligible for a recovery because they were originally purchased before the Settlement Class Period. **Only submit a Claim Form if you purchased *new* publicly traded shares during the Settlement Class Period.**³

9. What am I giving up to receive a payment and by staying in the Settlement Class?

29. If you are a Settlement Class Member and do not timely and validly exclude yourself from the Settlement Class, you will remain in the Settlement Class and that means that, upon the "Effective Date" of the Settlement, you will release all "Released Claims" against the "Released Defendant Parties." All of the Court's orders in the Action, whether favorable or unfavorable, will apply to you and legally bind you.

(a) **"Released Claims"** means any and all claims and causes of action of every nature and description, whether known or Unknown (defined below), contingent or absolute, mature or not mature, liquidated or unliquidated, accrued or not accrued, concealed or hidden, regardless of legal or equitable theory and whether arising under federal, state, common, or foreign law, that Lead Plaintiff or any other member of the Settlement Class: (a) asserted in the Action; or (b) could have asserted in the Action or any forum that arise out of, are based upon, or relate to, both (1) the allegations, transactions, facts, matters or occurrences, representations or omissions involved, set forth, or referred to in the Action and (2) the purchase or acquisition of Peabody publicly traded common stock during the Settlement Class Period. For the avoidance of doubt, Released Claims do not include claims to enforce the Settlement or claims that were asserted in *In re Peabody Energy Corp. Derivative Litigation*, 20-cv-01747-CFC (D. Del. 2020) (J. Connolly).

(b) **"Released Defendant Parties"** means Defendants, Defendants' Counsel, and each of their respective past or present direct or indirect subsidiaries, parents, affiliates, principals, successors and predecessors, assigns, officers, directors, shareholders, trustees, partners, agents, fiduciaries, contractors, employees, attorneys, insurers; the spouses, members of the immediate families, representatives, and heirs of the Individual Defendants,

³ Before the Settlement Class Period, Peabody publicly traded common stock traded under the symbol BTUUQ and CUSIP # 704594203. After the effective date of the Reorganization Plan, beginning on April 3, 2017, shares were traded under the symbol BTU and CUSIP # 704551100.

as well as any trust of which any Individual Defendant is the settlor or which is for the benefit of any of their immediate family members; any firm, trust, corporation, or entity in which any Defendant has a controlling interest; and any of the legal representatives, heirs, successors in interest or assigns of Defendants.

(c) **“Unknown Claims”** means any and all Released Claims that Lead Plaintiff or any other Settlement Class Member do not know or suspect to exist in his, her, or its favor at the time of the release of the Released Defendant Parties, and any and all Released Defendants’ Claims that any Defendant does not know or suspect to exist in his, her, or its favor at the time of the release of the Released Plaintiff Parties, which if known by him, her, or it might have affected his, her, or its decision(s) with respect to the Settlement, including but not limited to the decision to object to the terms of the Settlement or to exclude himself, herself, or itself from the Settlement Class. With respect to any and all Released Claims and Released Defendants’ Claims, the Parties stipulate and agree that, upon the Effective Date, Lead Plaintiff and Defendants shall expressly, and each other Settlement Class Member shall be deemed to have, and by operation of the Judgment shall have, to the fullest extent permitted by law, expressly waived and relinquished any and all provisions, rights and benefits conferred by any law of any state or territory of the United States or foreign law, or principle of common law, which is similar, comparable, or equivalent to Cal. Civ. Code § 1542, which provides:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

Lead Plaintiff, other Settlement Class Members, or Defendants may hereafter discover facts, legal theories, or authorities in addition to or different from those which any of them now knows or believes to be true with respect to the subject matter of the Released Claims and the Released Defendants’ Claims, but Lead Plaintiff and Defendants shall expressly, fully, finally, and forever waive, settle, discharge, extinguish and release, and each Settlement Class Member shall be deemed to have waived, settled, discharged, extinguished and released, and upon the Effective Date and by operation of the Judgment shall have waived, settled, discharged, extinguished and released, fully, finally, and forever, any and all Released Claims and Released Defendants’ Claims as applicable, without regard to the subsequent discovery or existence of such different or additional facts, legal theories, or authorities. Lead Plaintiff and Defendants acknowledge, and other Settlement Class Members by operation of law shall be deemed to have acknowledged, that the inclusion of “Unknown Claims” in the definition of Released Claims and Released Defendants’ Claims was separately bargained for and was a material element of the Settlement.

30. The “Effective Date” will occur when an Order entered by the Court approving the Settlement becomes Final and is not subject to appeal. Upon the “Effective Date,” the Released Defendant Parties will also provide a release of any claims against the Released Plaintiff Parties arising out of or related to the institution, prosecution, or settlement of the claims in the Action.

EXCLUDING YOURSELF FROM THE SETTLEMENT CLASS

31. If you want to keep any right you may have to sue or continue to sue Defendants and the other Released Defendant Parties on your own concerning the Released Claims, then you must take steps to remove yourself from the Settlement Class. This is called excluding yourself or “opting out.” **Please note:** If you decide to exclude yourself from the Settlement Class, there is a risk that any lawsuit you may file may be dismissed, including because the suit is not filed within the applicable time periods required for filing suit. Defendants have the option to terminate the Settlement if a certain amount of Settlement Class Members request exclusion.

10. How do I exclude myself from the Settlement Class?

32. To exclude yourself from the Settlement Class, you must mail a signed letter stating that you request to be “excluded from the Settlement Class in *In re Peabody Energy Corp. Sec. Litig.*, No. 1:20-cv-08024-PKC (S.D.N.Y.).” You cannot exclude yourself by telephone or e-mail. Each request for exclusion must also: (i) state the name, address, email, and telephone number of the person or entity requesting exclusion; (ii) state the number of shares of Peabody publicly traded common stock the person or entity purchased, acquired, and sold during the Settlement Class Period, as well as the dates and prices of each such purchase, acquisition, and sale; and (iii) be signed by the Person requesting exclusion or an authorized representative. A request for exclusion must be mailed so that it is **received no later than January 17, 2023** at:

Peabody Securities Litigation
c/o Strategic Claims Services
P.O. Box 230
600 N. Jackson St., Ste. 205
Media, PA 19063

33. This information is needed to determine whether you are a member of the Settlement Class. Your exclusion request must comply with these requirements in order to be valid.

34. If you ask to be excluded, do not submit a Claim Form because you cannot receive any payment from the Net Settlement Fund. Also, you cannot object to the Settlement because you will not be a Settlement Class Member and the Settlement will not affect you. If you submit a valid exclusion request, you will not be legally bound by anything that happens in the Action, and you may be able to sue (or continue to sue) Defendants and the other Released Defendant Parties in the future.

11. If I do not exclude myself, can I sue Defendants and the other Released Defendant Parties for the same reasons later?

35. No. Unless you properly exclude yourself, you will give up any rights to sue Defendants and the other Released Defendant Parties for any and all Released Claims. If you have a pending lawsuit against any of the Released Defendant Parties, **speak to your lawyer in that case immediately**. You must exclude yourself from this Settlement Class to continue your own lawsuit, assuming that lawsuit was timely brought. Remember, the exclusion deadline is **January 17, 2023**.

THE LAWYERS REPRESENTING YOU

12. Do I have a lawyer in this case?

36. Labaton Sucharow LLP is Lead Counsel in the Action and represents all Settlement Class Members. You will not be separately charged for the work of Lead Counsel. The Court will determine the amount of attorneys' fees and Litigation Expenses, which will be paid from the Settlement Fund. If you want to be represented by your own lawyer, you may hire one at your own expense.

13. How will the lawyers be paid?

37. Lead Counsel has been prosecuting the Action on a contingent basis and has not been paid for any of its work. Lead Counsel will apply to the Court for an award of attorneys' fees of no more than 25% of the Settlement Fund, which may include accrued interest. Lead Counsel will also seek payment of Litigation Expenses incurred in the prosecution and settlement of the Action of no more than \$250,000, plus accrued interest, if any, which may include an application in accordance with the PSLRA for the reasonable costs and expenses (including lost wages) of Lead Plaintiff directly related to its representation of the Settlement Class. As explained above, any attorneys' fees and expenses awarded by the Court will be paid from the Settlement Fund. Settlement Class Members are not personally liable for any such fees or expenses.

OBJECTING TO THE SETTLEMENT, THE PLAN OF ALLOCATION, OR THE FEE AND EXPENSE APPLICATION

14. How do I tell the Court that I do not like something about the proposed Settlement?

38. If you are a Settlement Class Member, you can object to the Settlement or any of its terms, the proposed Plan of Allocation of the Net Settlement Fund, and/or Lead Counsel's Fee and Expense Application. You may write to the Court about why you think the Court should not approve any or all of the Settlement terms or related relief. If you would like the Court to consider your views, you must file a proper objection within the deadline, and according to the following procedures.

39. To object, you must send a signed letter stating that you object to the proposed Settlement, the Plan of Allocation, and/or the Fee and Expense Application in "*In re Peabody Energy Corp. Sec. Litig.*, No. 1:20-cv-08024-PKC (S.D.N.Y.)." The objection must also: (i) state the name, address, telephone number, and email address of the objector and must be signed by the objector; (ii) contain a statement of the Settlement Class Member's

objection or objections and the reasons for the objection; and (iii) include documents sufficient to show the objector’s membership in the Settlement Class, including the number of shares of Peabody publicly traded common stock purchased, acquired, and sold during the Settlement Class Period, as well as the dates and prices of each such purchase, acquisition, and sale. Unless otherwise ordered by the Court, any Settlement Class Member who does not object in the manner described in this Notice will be deemed to have waived any objection and will be foreclosed from making any objection. Your objection must be filed with the Court **no later than January 17, 2023 and** be mailed or delivered to the following counsel so that it is **received no later than January 17, 2023. You may do so by using the Court’s Case Management/Electronic Case Files system (CM/ECF), delivering by hand, or mailing:**

Fox, Esq. 140 Broadway New York, NY 10005</p>	<p>Cravath, Swaine & Moore LLP Karin A. DeMasi, Esq. 825 Eighth Avenue New York, NY 10019</p>

40. You do not need to attend the Settlement Hearing to have your written objection considered by the Court. However, any Settlement Class Member who has complied with the procedures described in this Question 14 and below in Question 18 may appear at the Settlement Hearing and be heard, to the extent allowed by the Court. An objector may appear in person or arrange, at his, her, or its own expense, for a lawyer to represent him, her, or it at the Settlement Hearing.

15. What is the difference between objecting and seeking exclusion?

41. Objecting is telling the Court that you do not like something about the proposed Settlement, Plan of Allocation, or Lead Counsel’s Fee and Expense Application. You can still recover money from the Settlement. You can object *only* if you stay in the Settlement Class. Excluding yourself is telling the Court that you do not want to be part of the Settlement Class. If you exclude yourself from the Settlement Class, you have no basis to object because the Settlement and the Action no longer affect you.

THE SETTLEMENT HEARING

16. When and where will the Court decide whether to approve the Settlement?

42. The Court will hold the Settlement Hearing on **February 7, 2023 at 2:30 p.m.**, in Courtroom 11D of the United States District Court for the Southern District of New York, Daniel Patrick Moynihan U.S. Courthouse, 500 Pearl Street, New York, NY 10007.

43. At this hearing, the Honorable P. Kevin Castel will consider whether: (i) the Settlement is fair, reasonable, adequate, and should be approved; (ii) the Plan of Allocation is fair and reasonable, and should be approved; and (iii) the application of Lead Counsel for an award of attorneys’ fees and payment of Litigation Expenses is reasonable and should be approved. The Court will take into consideration any written objections filed in accordance with the instructions in Question 14 above. We do not know how long it will take the Court to make these decisions.

44. The Court may change the date and time of the Settlement Hearing, or hold the hearing remotely, without another individual notice being sent to Settlement Class Members. If you want to attend the hearing, you should check with Lead Counsel beforehand to be sure that the date and/or time and procedures for participating have not changed, or periodically check the Claims Administrator’s website at www.strategicclaims.net/Peabody/ to see if the Settlement Hearing stays as scheduled or is changed.

17. Do I have to come to the Settlement Hearing?

45. No. Lead Counsel will answer any questions the Court may have. But, you are welcome to attend at your own expense. If you submit a valid and timely objection, the Court will consider it and you do not have to

come to Court to discuss it. You may have your own lawyer attend (at your own expense), but it is not required. If you do hire your own lawyer, he or she must file and serve a Notice of Appearance in the manner described in the answer to Question 18 below **no later than January 17, 2023**.

18. May I speak at the Settlement Hearing?

46. You may ask the Court for permission to speak at the Settlement Hearing. To do so, you must, **no later than January 17, 2023**, submit a statement that you, or your attorney, intend to appear in “*In re Peabody Energy Corp. Sec. Litig.*, No. 1:20-cv-08024-PKC (S.D.N.Y.)” If you intend to present evidence at the Settlement Hearing, you must also include in your objection (prepared and submitted according to the answer to Question 14 above) the identities of any witnesses you may wish to call to testify and any exhibits you intend to introduce into evidence at the Settlement Hearing. You may not speak at the Settlement Hearing if you exclude yourself from the Settlement Class.

IF YOU DO NOTHING

19. What happens if I do nothing at all?

47. PLAN OF ALLOCATION OF THE NET SETTLEMENT FUND

21. How will my claim be calculated?

50. The Plan of Allocation set forth below is the plan for calculating claims and distributing the proceeds of the Settlement that is being proposed by Lead Plaintiff and Lead Counsel to the Court for approval. The Court may approve this Plan of Allocation or modify it without additional notice to the Settlement Class. Any order modifying the Plan of Allocation will be posted at: www.strategicclaims.net/Peabody/ and www.labaton.com.

51. As noted above, the Settlement Amount and the interest it earns is the “Settlement Fund.” The Settlement Fund, after deduction of Court-approved attorneys’ fees and Litigation Expenses, Notice and Administration Expenses, Settlement Fund Taxes, and any other fees or expenses approved by the Court, is the “Net Settlement Fund.” The Net Settlement Fund will be distributed to members of the Settlement Class who timely submit valid Claim Forms that show a “Recognized Claim” according to the Court-approved Plan of Allocation. Settlement Class Members who do not timely submit valid Claim Forms will not share in the Net Settlement Fund but will still be bound by the Settlement.

52. The objective of this Plan of Allocation is to distribute the Net Settlement Fund fairly among those Settlement Class Members who allegedly suffered economic losses as a result of the alleged wrongdoing. To design this plan, Lead Counsel conferred with Lead Plaintiff's damages expert. This plan is intended to be generally consistent with an assessment of, among other things, the damages that Lead Plaintiff and Lead Counsel believe were recoverable in the Action. The Plan of Allocation, however, is not a formal damages analysis and the calculations made pursuant to the plan are not intended to be estimates of, nor indicative of, the amounts that Settlement Class Members might have been able to recover after a trial. The calculations pursuant to the Plan of Allocation are also not estimates of the amounts that will be paid to Authorized Claimants.

53. An individual Settlement Class Member's recovery will depend on, for example: (i) the total number and value of claims submitted; (ii) when the Claimant purchased Peabody publicly traded common stock; and (iii) whether and when the Claimant sold his, her, or its shares. The computations under the Plan of Allocation are only a method to weigh the claims of Authorized Claimants against one another for the purposes of making *pro rata* allocations of the Net Settlement Fund. The Claims Administrator will determine each Authorized Claimant's *pro rata* share of the Net Settlement Fund based upon each Authorized Claimant's "Recognized Claim."

54. For losses to be compensable damages under the federal securities laws, the disclosure of the allegedly misrepresented information must be the cause of the decline in the price of the securities at issue. In this case, Lead Plaintiff alleges that Defendants issued false statements and omitted material facts during the Settlement Class Period, which allegedly artificially inflated the price of Peabody publicly traded common stock. In developing the Plan of Allocation, Lead Plaintiff's consulting damages expert calculated the estimated amount of alleged artificial inflation in the per share prices of Peabody common stock that was allegedly proximately caused by Defendants' alleged materially false and misleading statements and omissions.

55. In this Action, Lead Plaintiff alleges that corrective information allegedly impacting the price of Peabody common stock (which is referred to as a "corrective disclosure") was released to the market on September 28, 2018 (at 2:23 p.m. ET) and prior to market open on February 6, 2019, May 1, 2019, and October 29, 2019, impacting the market price of Peabody common stock in a statistically significant manner and removing the alleged artificial inflation from the share prices on those dates. Accordingly, in order to have a compensable loss in this Settlement, shares of Peabody common stock must have been purchased or otherwise acquired during the Settlement Class Period and held through at least one of the alleged corrective disclosure dates listed above.

CALCULATION OF RECOGNIZED LOSS AMOUNTS

56. Only publicly traded shares of Peabody common stock purchased or acquired during the Settlement Class Period can be the basis for Recognized Loss Amounts under the Plan of Allocation. **Common shares reissued to Settlement Class Members in accordance with the Second Amended Joint Plan of Reorganization and Emergence from the Chapter 11 Cases are not eligible acquisitions.**⁴

57. For purposes of determining whether a Claimant has a "Recognized Claim," if a Claimant has more than one purchase/acquisition or sale of Peabody publicly traded common stock during the Settlement Class Period, all purchases/acquisitions and sales will be matched on a "First In First Out" (FIFO) basis. Settlement Class Period sales will be matched first against any holdings at the beginning of the Settlement Class Period and then against purchases/acquisitions in chronological order, beginning with the earliest purchase/acquisition made during the Settlement Class Period.

58. Based on the formulas stated below, a "Recognized Loss Amount" will be calculated for each purchase/acquisition of Peabody publicly traded common stock during the Settlement Class Period that is listed on the Claim Form and for which adequate documentation is provided. If a Recognized Loss Amount calculates to a negative number or zero under the formulas below, that Recognized Loss Amount will be zero.

59. For each share of Peabody publicly traded common stock purchased or otherwise acquired during the Settlement Class Period and sold before the close of trading on January 24, 2020, an "Out of Pocket Loss" will be calculated. Out of Pocket Loss is defined as the purchase price (excluding all fees, taxes, and commissions) minus the sale price (excluding all fees, taxes, and commissions). To the extent that the calculation of the Out of Pocket Loss results in a negative number, that number shall be set to zero.

⁴ Before the Settlement Class Period, Peabody publicly traded common stock traded under the symbol BTUUQ and CUSIP # 704549104. After the effective date of the Reorganization Plan, beginning on April 3, 2017, shares were traded under the symbol BTU and CUSIP # 704551100.

60. **For each share of Peabody publicly traded common stock purchased or acquired from April 3, 2017 through and including October 28, 2019, and:**

- A. Sold before 2:23 p.m. ET on September 28, 2018,⁵ the Recognized Loss Amount for each such share shall be zero.
- B. Sold during the period from September 28, 2018 (at or after 2:23 p.m. ET) through October 28, 2019, the Recognized Loss Amount for each such share shall be *the lesser of*:
 - 1. the dollar artificial inflation applicable to each such share on the date of purchase/acquisition as set forth in **Table 1** below *minus* the dollar artificial inflation applicable to each such share on the date of sale as set forth in **Table 1** below; or
 - 2. the Out of Pocket Loss.
- C. Sold during the period from October 29, 2019 through January 24, 2020, the Recognized Loss Amount for each such share shall be *the least of*:
 - 1. the dollar artificial inflation applicable to each such share on the date of purchase/acquisition as set forth in **Table 1** below; or
 - 2. the actual purchase/acquisition price of each such share *minus* the average closing price from October 29, 2019, up to the date of sale as set forth in **Table 2** below; or
 - 3. the Out of Pocket Loss.
- D. Held as of the close of trading on January 24, 2020, the Recognized Loss Amount for each such share shall be *the lesser of*:
 - 1. the dollar artificial inflation applicable to each such share on the date of purchase/acquisition as set forth in **Table 1** below; or
 - 2. the actual purchase/acquisition price of each such share *minus* \$9.53.⁶

61. Recognized Loss Amounts for shares of Peabody publicly traded common stock purchased or otherwise acquired during the period from April 3, 2017 through September 21, 2018 will be multiplied by 0.1 (discounted by 90%). This is to reflect the fact that these claims were dismissed by the Court in connection with the Order on Defendants' motion to dismiss. Thus, any recovery on these claims in the Action would have occurred only if the Court's Order dismissing these claims was appealed and the ruling was reversed on appeal.

62. Recognized Loss Amounts for shares of Peabody publicly traded common stock purchased or otherwise acquired during the period from September 28, 2018 (at or after 2:23 p.m. ET) through October 28, 2019 will be multiplied by 0.25 (discounted by 75%). This is to reflect the fact that these claims were dismissed by the Court in connection with the Order on Defendants' motion to dismiss. Thus, any recovery on these claims in the Action would have occurred only if the Court's Order dismissing these claims was appealed and the ruling was reversed on appeal. Lead Counsel has determined that the litigation risks associated with the claims during this portion of the Settlement Class Period, while also significant, were somewhat lower, as reflected in the discount rate applied.

⁵ For purposes of this Plan of Allocation, in the absence of time-stamped documentation, the Claims Administrator will assume that any shares purchased/acquired or sold on September 28, 2018 at any price less than or equal to \$35.74 per share occurred after the allegedly corrective information was released to the market at 2:23 p.m. ET, and that any shares purchased/acquired or sold on September 28, 2018 at any price greater than \$35.74 per share occurred before the release of the allegedly corrective information at 2:23 p.m. ET.

⁶ Pursuant to Section 21D(e)(1) of the Exchange Act, "in any private action arising under this title in which the plaintiff seeks to establish damages by reference to the market price of a security, the award of damages to the plaintiff shall not exceed the difference between the purchase or sale price paid or received, as appropriate, by the plaintiff for the subject security and the mean trading price of that security during the 90-day period beginning on the date on which the information correcting the misstatement or omission that is the basis for the action is disseminated to the market." Consistent with the requirements of the Exchange Act, Recognized Loss Amounts are reduced to an appropriate extent by taking into account the closing prices of Peabody common stock during the "90-day look-back period," October 29, 2019 through January 24, 2020. The mean (average) closing price for Peabody common stock during this 90-day look-back period was \$9.53.

ADDITIONAL PROVISIONS OF THE PLAN OF ALLOCATION

63. The sum of a Claimant’s Recognized Loss Amounts will be the Claimant’s “Recognized Claim.”

64. The Net Settlement Fund will be distributed to Authorized Claimants on a *pro rata* basis based on the relative size of their Recognized Claims. Specifically, a “Distribution Amount” will be calculated for each Authorized Claimant, which will be the Authorized Claimant’s Recognized Claim divided by the total Recognized Claims of all Authorized Claimants, multiplied by the total amount in the Net Settlement Fund. Given the costs of distribution, the Net Settlement Fund will be allocated among all Authorized Claimants whose Distribution Amount is \$10.00 or greater.

65. Purchases and sales of Peabody publicly traded common stock will be deemed to have occurred on the “contract” or “trade” date as opposed to the “settlement” or “payment” date. The receipt or grant of shares of Peabody publicly traded common stock by gift, inheritance, or operation of law during the Settlement Class Period will not be deemed an eligible purchase or sale of publicly traded common stock for the calculation of a Claimant’s Recognized Claim, nor will the receipt or grant be deemed an assignment of any claim relating to the purchase of common stock unless (i) the donor or decedent purchased the shares during the Settlement Class Period; (ii) no Claim Form was submitted by or on behalf of the donor, on behalf of the decedent, or by anyone else with respect to those shares; and (iii) it is specifically so provided in the instrument of gift or assignment.

66. The date of covering a “short sale” will be deemed to be the date of purchase of the Peabody common stock. The date of a “short sale” will be deemed to be the date of sale of Peabody common stock. Under the Plan of Allocation, however, the Recognized Loss Amount on “short sales” is zero. In the event that a Claimant has an opening short position in Peabody common stock, his, her, or its earliest Settlement Class Period purchases of Peabody common stock will be matched against the opening short position, and not be entitled to a recovery, until that short position is fully covered.

67. Option contracts are not securities eligible to participate in the Settlement. With respect to shares of Peabody common stock purchased or sold through the exercise of an option, the purchase/sale date of the Peabody common stock is the exercise date of the option and the purchase/sale price of the Peabody common stock is the exercise price of the option.

68. Distributions will be made to eligible Authorized Claimants after all claims have been processed and after the Court has finally approved the Settlement. If there is any balance remaining in the Net Settlement Fund (whether by reason of tax refunds, uncashed checks or otherwise) after at least six (6) months from the date of initial distribution of the Net Settlement Fund, and after payment of outstanding Notice and Administration Expenses, Settlement Fund Taxes, attorneys’ fees and expenses, if any, the Claims Administrator shall, if feasible and economical, redistribute (redistributions may occur on multiple occasions) such balance among Authorized Claimants who have cashed their checks in an equitable and economic fashion. Once it is no longer feasible or economical to make further distributions, any balance that still remains in the Net Settlement Fund after redistribution(s) and after payment of outstanding Notice and Administration Expenses, Settlement Fund Taxes, and attorneys’ fees and expenses, if any, shall be contributed to a non-sectarian, not-for-profit charitable organization certified as tax-exempt under Section 501(c)(3) of the Code and serving the public interest, designated by Lead Plaintiff and approved by the Court

69. Payment pursuant to the Plan of Allocation or such other plan of allocation as may be approved by the Court will be conclusive against all Claimants. No person will have any claim against Lead Plaintiff, Lead Counsel, the Claims Administrator, or other agent designated by Lead Counsel, arising from determinations or distributions to Claimants made substantially in accordance with the Stipulation, the Plan of Allocation approved by the Court, or further orders of the Court. Lead Plaintiff, Defendants, Defendants’ Counsel, and all other Released

Parties will have no responsibility for or liability whatsoever for the investment or distribution of the Settlement Fund, the Net Settlement Fund, the Plan of Allocation or the determination, administration, calculation, or payment of any Claim Form or non-performance of the Claims Administrator, the payment or withholding of Settlement Fund Taxes owed by the Settlement Fund or any losses incurred in connection therewith.

70. Each Claimant is deemed to have submitted to the jurisdiction of the United States District Court for the Southern District of New York with respect to his, her, or its claim.
