SOUTHERN DISTRICT OF NEW YORK

IN RE LOOP INDUSTRIES, INC.  
SECURITIES LITIGATION

Case No. 7:20-cv-08538-NSR

Consolidated with:  
Case No. 7:20-cv-09031-NSR

**NOTICE OF (I) PENDENCY OF CLASS ACTION AND PROPOSED SETTLEMENT;  
(II) SETTLEMENT FAIRNESS HEARING; AND (III) MOTION FOR AN AWARD OF  
ATTORNEYS' FEES AND REIMBURSEMENT OF LITIGATION EXPENSES**

***A Federal Court authorized this Notice. This is not a solicitation from a lawyer.***

**NOTICE OF PENDENCY OF CLASS ACTION:** Please be advised that your rights may be affected by the above-captioned securities class action (the “Action”) pending in the United States District Court for the Southern District of New York (the “Court”), if, during the period between September 24, 2018 and October 12, 2020, inclusive (the “Settlement Class Period”), you purchased or otherwise acquired Loop common stock on an open market located within the United States, including but not limited to the NASDAQ stock exchange or another domestic exchange, and were damaged thereby.<sup>1</sup>

**NOTICE OF SETTLEMENT:** Please also be advised that the Court-appointed Lead Plaintiffs, Sakari Johansson and John Jay Cappa (collectively, “Lead Plaintiffs”), on behalf of themselves and the Settlement Class (as defined in ¶ 20 below), have reached a proposed settlement of the Action for \$3,100,000 in cash that, if approved, will resolve all claims in the Action (the “Settlement”).

**PLEASE READ THIS NOTICE CAREFULLY. This Notice explains important rights you may have, including the possible receipt of cash from the Settlement. If you are a member of the Settlement Class, your legal rights will be affected whether or not you act.**

**If you have any questions about this Notice, the proposed Settlement, or your eligibility to participate in the Settlement, please DO NOT contact Loop, any other Defendants in the Action, or their counsel. All questions should be directed to Lead Counsel or the Claims Administrator (see ¶ 80 below).**

1. **Description of the Action and the Settlement Class:** This Notice relates to a proposed Settlement of claims in a pending securities class action brought by investors alleging, among other things, that defendants Loop Industries, Inc. (“Loop” or the “Company”), Daniel Solomita, and Nelson Gentiletti (collectively, the “Individual Defendants” and, together with the Loop, the “Defendants”) violated the federal securities laws by making false and misleading statements regarding Loop and its technology. A more detailed description of the Action is set forth in paragraphs 11-19 below. The proposed Settlement, if approved by the Court, will settle claims of the Settlement Class, as defined in paragraph 20 below.

2. **Statement of the Settlement Class’s Recovery:** Subject to Court approval, Lead Plaintiffs, on behalf of themselves and the Settlement Class, have agreed to settle the Action in exchange for a settlement payment of \$3,100,000 in cash (the “Settlement Amount”) to be deposited into an escrow account. The Net Settlement Fund (*i.e.*, the Settlement Amount plus any and all interest earned thereon (the “Settlement Fund”) less (a) any Taxes, (b) any Notice and Administration Costs, (c) any Litigation Expenses awarded by the Court, and (d) any attorneys’ fees

---

<sup>1</sup> All capitalized terms used in this Notice that are not otherwise defined herein shall have the meanings ascribed to them in the Stipulation and Agreement of Settlement dated May 17, 2022 (the “Stipulation”), which is available at [www.LoopIndustriesSecuritiesSettlement.com](http://www.LoopIndustriesSecuritiesSettlement.com).

awarded by the Court) will be distributed in accordance with a plan of allocation that is approved by the Court, which will determine how the Net Settlement Fund shall be allocated among members of the Settlement Class. The proposed plan of allocation (the “Plan of Allocation”) is set forth in paragraphs 46-64 below.

3. **Estimate of Average Amount of Recovery Per Share:** Based on Lead Plaintiffs’ damages expert’s estimates of the number of Loop shares of common stock purchased during the Settlement Class Period that may have been affected by the conduct at issue in the Action and assuming that all Settlement Class Members elect to participate in the Settlement, the estimated average recovery per affected share (before the deduction of any Court-approved fees, expenses, and costs as described herein) is \$0.31. Settlement Class Members should note, however, that the foregoing average recovery per share is only an estimate. Some Settlement Class Members may recover more or less than this estimated amount depending on, among other factors, when and at what prices they purchased/acquired or sold their Loop common stock, and the total number of valid Claim Forms submitted. Distributions to Settlement Class Members will be made based on the Plan of Allocation set forth herein (*see* paragraphs 46-64 below) or such other plan of allocation as may be ordered by the Court.

4. **Average Amount of Damages Per Share:** The Parties do not agree on the average amount of damages per share that would be recoverable if Lead Plaintiffs were to prevail in the Action. Among other things, Defendants do not agree with the assertion that they violated the federal securities laws or that any damages were suffered by any members of the Settlement Class as a result of their conduct.

5. **Attorneys’ Fees and Expenses Sought:** Plaintiffs’ Counsel, which have been prosecuting the Action on a wholly contingent basis since its inception in 2020, have not received any payment of attorneys’ fees for their representation of the Settlement Class and have advanced the funds to pay expenses necessarily incurred to prosecute this Action. Court-appointed Lead Counsel for Plaintiffs and proposed Settlement Class, Glancy Prongay & Murray LLP and Pomerantz LLP (“Lead Counsel”), will apply to the Court for an award of attorneys’ fees for all Plaintiffs’ Counsel in an amount not to exceed 33⅓% of the Settlement Fund. In addition, Lead Counsel will apply for reimbursement of Litigation Expenses paid or incurred in connection with the institution, prosecution, and resolution of the claims against the Defendants, in an amount not to exceed \$140,000, which may include an application for reimbursement of the reasonable costs and expenses incurred by Lead Plaintiffs directly related to their representation of the Settlement Class. Any fees and expenses awarded by the Court will be paid from the Settlement Fund. Settlement Class Members are not personally liable for any such fees or expenses. Estimates of the average cost per affected share of Loop common stock, if the Court approves Lead Counsel’s fee and expense application, is \$0.12 per affected share of Loop common stock.

6. **Identification of Attorneys’ Representatives:** Lead Plaintiffs and the Settlement Class are represented by Leanne H. Solish, Esq. of Glancy Prongay & Murray LLP, 1925 Century Park East, Suite 2100, Los Angeles, CA 90067, (310) 201-9150, settlements@glancylaw.com and Murielle J. Steven Walsh, Esq. of Pomerantz LLP, 600 Third Avenue, 20th Floor, New York, NY 10016, (212) 661-1100, mjsteven@pomlaw.com.

7. **Reasons for the Settlement:** Lead Plaintiffs’ principal reason for entering into the Settlement is the substantial immediate cash benefit for the Settlement Class without the risk or the delays inherent in further litigation. Moreover, the substantial cash benefit provided under the Settlement must be considered against the significant risk that a smaller recovery – or indeed no recovery at all – might be achieved after contested motions, a trial of the Action, and the likely appeals that would follow a trial. This process could be expected to last several years. Defendants, who deny all allegations of wrongdoing or liability whatsoever, are entering into the Settlement solely to eliminate the burden and expense of further protracted litigation.

<b>YOUR LEGAL RIGHTS AND OPTIONS IN THE SETTLEMENT:</b>	
<b>SUBMIT A CLAIM FORM EITHER ONLINE OR POSTMARKED NO LATER THAN FEBRUARY 15, 2023.</b>	This is the only way to be eligible to receive a payment from the Settlement Fund. If you are a Settlement Class Member and you remain in the Settlement Class, you will be bound by the Settlement as approved by the Court and you will give up any Released Plaintiffs' Claims (defined in ¶ 29 below) that you have against Defendants and the other Defendants' Releasees (defined in ¶ 30 below), so it is in your interest to submit a Claim Form.
<b>EXCLUDE YOURSELF FROM THE SETTLEMENT CLASS BY SUBMITTING A WRITTEN REQUEST FOR EXCLUSION SO THAT IT IS RECEIVED NO LATER THAN DECEMBER 8, 2022.</b>	If you exclude yourself from the Settlement Class, you will not be eligible to receive any payment from the Settlement Fund. This is, however, the only option that allows you to be part of any other lawsuit against any of the Defendants or the other Defendants' Releasees concerning the Released Plaintiffs' Claims.
<b>OBJECT TO THE SETTLEMENT BY SUBMITTING A WRITTEN OBJECTION SO THAT IT IS RECEIVED NO LATER THAN DECEMBER 8, 2022.</b>	If you do not like the proposed Settlement, the proposed Plan of Allocation, or the request for attorneys' fees and reimbursement of Litigation Expenses, you may write to the Court and explain why you do not like them. You cannot object to the Settlement, the Plan of Allocation, or the fee and expense request unless you are a Settlement Class Member and do not exclude yourself from the Settlement Class.
<b>ATTEND A HEARING ON JANUARY 5, 2023 AT 2:00 P.M., AND FILE A NOTICE OF INTENTION TO APPEAR SO THAT IT IS RECEIVED NO LATER THAN DECEMBER 8, 2022.</b>	Filing a written objection and notice of intention to appear by December 8, 2022 allows you to speak to the Court, at the discretion of the Court, about the fairness of the proposed Settlement, the Plan of Allocation, and/or the request for attorneys' fees and reimbursement of Litigation Expenses. If you submit a written objection, you may (but you do not have to) attend the hearing and, at the discretion of the Court, speak to the Court about your objection.
<b>DO NOTHING.</b>	If you are a member of the Settlement Class and you do not submit a valid Claim Form, you will not be eligible to receive any payment from the Settlement Fund. In addition, unless you file a valid request for exclusion, you will remain a member of the Settlement Class, which means that you give up your right to sue about the claims that are resolved by the Settlement and you will be bound by any judgments or orders entered by the Court in the Action.

## WHY DID I GET THE POSTCARD NOTICE?

8. The Court directed that the Postcard Notice be mailed to you because you or someone in your family or an investment account for which you serve as a custodian may have purchased or otherwise acquired Loop common stock on an open market located within the United States, including but not limited to the NASDAQ stock exchange or another domestic exchange, during the Settlement Class Period. The Court also directed that this Notice be posted online at [www.LoopIndustriesSecuritiesSettlement.com](http://www.LoopIndustriesSecuritiesSettlement.com) and mailed to you upon request to the Claims Administrator. The Court has directed us to disseminate these notices because, as a potential Settlement Class Member, you have a right to know about your options before the Court rules on the proposed Settlement. Additionally, you have the right to understand how this class action lawsuit may generally affect your legal rights. If the Court approves the Settlement and the Plan of Allocation (or some other plan of allocation), the claims administrator selected by Lead Plaintiffs and approved by the Court will make payments pursuant to the Settlement after any objections and appeals are resolved.

9. The purpose of this Notice is to inform you of the existence of this case, that it is a class action, how you might be affected, and how to exclude yourself from the Settlement Class if you wish to do so. It is also being sent to inform you of the terms of the proposed Settlement, and of a hearing to be held by the Court to consider the fairness, reasonableness, and adequacy of the Settlement, the proposed Plan of Allocation, and the motion by Lead Counsel for an award of attorneys' fees and reimbursement of Litigation Expenses (the "Settlement Hearing"). See paragraph 71 below for details about the Settlement Hearing, including the date and location of the hearing.

10. The issuance of this Notice is not an expression of any opinion by the Court concerning the merits of any claim in the Action, and the Court still has to decide whether to approve the Settlement. If the Court approves the Settlement and a plan of allocation, then payments to Authorized Claimants will be made after any appeals are resolved and after the completion of all claims processing. Please be patient, as this process can take some time to complete.

## WHAT IS THIS CASE ABOUT?

11. Two class action complaints were filed in the United States District Court for the Southern District of New York beginning with the first action filed on October 13, 2020. By Order dated January 4, 2021, these two cases were consolidated and recaptioned as *In re Loop Industries, Inc. Securities Litigation*, Master File No. 7:20-cv-

08538-NSR and Lead Plaintiffs and Lead Counsel were approved and appointed by the Court.

12. On February 18, 2021, Lead Plaintiffs filed their Amended Consolidated Class Action Complaint (the “Complaint”) asserting claims against all Defendants under Section 10(b) of the Securities Exchange Act of 1934 (the “Exchange Act”) and Rule 10b-5 promulgated thereunder, and against the Individual Defendants under Section 20(a) of the Exchange Act. The Complaint alleged, among other things, that Defendants made materially false and misleading statements and/or omitted material facts with respect to Loop’s recycling technology, including its sustainability, the amount of energy input required in the process, and the commercial viability thereof. The Complaint further alleged that the price of Loop’s common stock was artificially inflated as a result of Defendants’ allegedly false and misleading statements, and declined when the truth was revealed. Defendants deny that Plaintiffs have asserted any valid claims as to any of them, and expressly deny any and all allegations of fault, liability, wrongdoing, or damages whatsoever.

13. On April 27, 2021, Defendants served a motion to dismiss the Complaint. On May 27, 2021, Lead Plaintiffs served their papers in opposition, and, on June 11, 2021, Defendants served their reply papers. On June 11, 2021, all of the briefing on the motion was filed with the Court.

14. On January 12, 2022, the Parties requested that the Court stay the issuance of any decision and order on Defendants’ motion to dismiss, pending the Parties’ participation in a mediation session in early March 2022.

15. On March 1, 2022, Lead Counsel and Defendants’ Counsel participated in a full-day virtual mediation session before Jed Melnick, Esq. of JAMS. In advance of that session, the Parties exchanged, and provided to Mr. Melnick, detailed mediation statements and exhibits, which addressed the issues of both liability and damages. The session resulted in an agreement in principle to settle the Action.

16. The Parties thereafter memorialized the settlement in a confidential Term Sheet to Settle Class Action (the “Term Sheet”) executed on March 3, 2022. The Term Sheet sets forth, among other things, the Parties’ agreement to settle and release all claims asserted against Defendants in the Action in return for a cash payment by or on behalf of Defendants of \$3,100,000.00 for the benefit of the Settlement Class.

17. Based on the investigation and mediation of the case and Lead Plaintiffs’ direct oversight of the prosecution of this matter and with the advice of their counsel, each of the Lead Plaintiffs has agreed to settle and release the claims raised in the Action pursuant to the terms and provisions of the Stipulation, after considering, among other things, (a) the substantial financial benefit that Lead Plaintiffs and the other members of the Settlement Class will receive under the proposed Settlement; and (b) the significant risks and costs of continued litigation and trial.

18. Defendants are entering into the Stipulation solely to eliminate the burden and expense of further protracted litigation. Each of the Defendants denies any wrongdoing, and the Stipulation shall in no event be construed or deemed to be evidence of or an admission or concession on the part of any of the Defendants, or any other of the Defendants’ Releasees (defined in ¶ 30 below), with respect to any claim or allegation of any fault or liability or wrongdoing or damage whatsoever, or any infirmity in the defenses that the Defendants have, or could have, asserted. Similarly, the Stipulation shall in no event be construed or deemed to be evidence of or an admission or concession on the part of any Lead Plaintiff of any infirmity in any of the claims asserted in the Action, or an admission or concession that any of the Defendants’ defenses to liability had any merit.

19. On September 16, 2022, the Court preliminarily approved the Settlement, authorized the Postcard Notice to be mailed to potential Settlement Class Members and this Notice to be posted online and mailed to potential Settlement Class Members upon request, and scheduled the Settlement Hearing to consider whether to grant final approval to the Settlement.

**HOW DO I KNOW IF I AM AFFECTED BY THE SETTLEMENT?  
WHO IS INCLUDED IN THE SETTLEMENT CLASS?**

20. If you are a member of the Settlement Class, you are subject to the Settlement, unless you timely request to be excluded. The Settlement Class consists of:

all persons and entities who or which purchased or otherwise acquired Loop common stock on an open market located within the United States, including but not limited to the NASDAQ stock exchange or another domestic exchange, between September 24, 2018 and October 12, 2020, inclusive, and who were damaged thereby

Excluded from the Settlement Class are (1) persons who suffered no compensable losses; and (2) (a) Defendants; (b) Northern Private Capital Ltd., Northern Private Capital Fund I Limited Partnership, Northern Private Capital

Fund I Non-Resident Limited Partnership (collectively, “Northern Private”); (c) any person who served as a partner, control person, executive officer, and/or director of Loop or Northern Private during the period between September 24, 2018 and October 12, 2020, inclusive, and members of their immediate families; (d) present and former parents, subsidiaries, assigns, successors, predecessors, and affiliates of Loop and Northern Private; (e) any entity in which the Defendants or Northern Private have or had a controlling interest; (f) any trust of which any Individual Defendant is the settlor or which is for the benefit of any Individual Defendant and/or member(s) of his or her Immediate Family; (g) Defendants’ liability insurance carriers; (h) the legal representatives, heirs, successors, and assigns of any person or entity excluded under provisions (a) through (g) hereof; and (i) members of the Immediate Families of the Individual Defendants. Also excluded from the Settlement Class are any persons or entities who or which exclude themselves by submitting a request for exclusion in accordance with the requirements set forth in this Notice. See “What If I Do Not Want To Be A Member Of The Settlement Class? How Do I Exclude Myself,” on page 13 below.

**PLEASE NOTE: RECEIPT OF THE POSTCARD NOTICE DOES NOT MEAN THAT YOU ARE A SETTLEMENT CLASS MEMBER OR THAT YOU WILL BE ENTITLED TO RECEIVE PROCEEDS FROM THE SETTLEMENT.**

**If you are a Settlement Class Member and you wish to be eligible to participate in the distribution of proceeds from the Settlement, you are required to submit the Claim Form that is available online at [www.LoopIndustriesSecuritiesSettlement.com](http://www.LoopIndustriesSecuritiesSettlement.com) or which can be mailed to you upon request to the Claims Administrator, and the required supporting documentation as set forth therein, postmarked no later than February 15, 2023.**

#### **WHAT ARE LEAD PLAINTIFFS’ REASONS FOR THE SETTLEMENT?**

21. Lead Plaintiffs and Lead Counsel believe that the claims asserted against Defendants have merit. They recognize, however, the expense and length of continued proceedings necessary to pursue their claims against the Defendants through trial and appeals, as well as the very substantial risks they would face in establishing liability and damages. For example, Defendants assert that their statements were not actionable under the federal securities laws because they were either soft descriptions of Loop’s technology that were too general and not objectively verifiable, were forward-looking, and that Defendants’ had publicly warned of the exact risk that Lead Plaintiffs allege to be false and misleading. Defendants also asserted that their statements were not made with the requisite state of mind to support the securities fraud claims alleged. If the litigation continued, Lead Plaintiffs would have faced several obstacles, including – motions to dismiss, class certification, summary judgment, and trial, and if they prevailed on those, the appeals that were likely to follow. A loss at any stage could have resulted in a recovery far less than the Settlement, or no recovery at all. Thus, there were very significant risks attendant to the continued prosecution of the Action.

22. In light of these risks, the amount of the Settlement and the immediacy of recovery to the Settlement Class, Lead Plaintiffs and Lead Counsel believe that the proposed Settlement is fair, reasonable, and adequate, and in the best interests of the Settlement Class. Lead Plaintiffs and Lead Counsel believe that the Settlement provides a substantial benefit to the Settlement Class, namely \$3,100,000 in cash (less the various deductions described in this Notice), as compared to the risk that the claims in the Action would produce a smaller recovery, or no recovery after summary judgment, trial, and appeals, possibly years in the future.

23. Defendants have denied the claims asserted against them in the Action and deny having engaged in any wrongdoing or violation of law of any kind whatsoever. Defendants have agreed to the Settlement solely to eliminate the burden and expense of continued litigation. Accordingly, the Settlement may not be construed as an admission of any wrongdoing by Defendants.

#### **WHAT MIGHT HAPPEN IF THERE WERE NO SETTLEMENT?**

24. If there were no Settlement and Lead Plaintiffs failed to establish any essential legal or factual element of their claims against Defendants, neither Lead Plaintiffs nor the other members of the Settlement Class would recover anything from Defendants. Also, if Defendants were successful in proving any of their defenses, either at summary judgment, at trial, or on appeal, the Settlement Class could recover substantially less than the amount provided in the Settlement, or nothing at all.

**HOW ARE SETTLEMENT CLASS MEMBERS AFFECTED  
BY THE ACTION AND THE SETTLEMENT?**

25. As a Settlement Class Member, you are represented by Lead Plaintiffs and Lead Counsel, unless you enter an appearance through counsel of your own choice at your own expense. You are not required to retain your own counsel, but if you choose to do so, such counsel must file a notice of appearance on your behalf and must serve copies of his or her appearance on the attorneys listed in the section entitled, “When And Where Will The Court Decide Whether To Approve The Settlement?,” on page 14 below.

26. If you are a Settlement Class Member and do not wish to remain a Settlement Class Member, you may exclude yourself from the Settlement Class by following the instructions in the section entitled, “What If I Do Not Want To Be A Member Of The Settlement Class? How Do I Exclude Myself?,” on page 13 below.

27. If you are a Settlement Class Member and you wish to object to the Settlement, the Plan of Allocation, or Lead Counsel’s application for attorneys’ fees and reimbursement of Litigation Expenses, and if you do not exclude yourself from the Settlement Class, you may present your objections by following the instructions in the section entitled, “When And Where Will The Court Decide Whether To Approve The Settlement?,” on page 14 below.

28. If you are a Settlement Class Member and you do not exclude yourself from the Settlement Class, you will be bound by any orders issued by the Court. If the Settlement is approved, the Court will enter a judgment (the “Judgment”). The Judgment will dismiss with prejudice the claims against Defendants and will provide that, upon the Effective Date of the Settlement, Lead Plaintiffs and each of the other Settlement Class Members, on behalf of themselves, and their respective heirs, executors, administrators, predecessors, successors, and assigns in their capacities as such, will have fully, finally, and forever compromised, settled, released, resolved, relinquished, waived, and discharged each and every Released Plaintiffs’ Claim (as defined in ¶ 29 below) against the Defendants and the other Defendants’ Releasees (as defined in ¶ 30 below), and shall forever be barred and enjoined from prosecuting any or all of the Released Plaintiffs’ Claims against any of the Defendants’ Releasees.

29. “Released Plaintiffs’ Claims” means all claims and causes of action of every nature and description, whether known claims or Unknown Claims, whether arising under federal, state, common, or foreign law, that Lead Plaintiffs or any other member of the Settlement Class: (i) asserted in the Complaint; or (ii) could have asserted in any forum that arise out of or are based upon the allegations, transactions, facts, matters or occurrences, representations, or omissions involved, set forth, or referred to in the Complaint and that relate to the purchase, acquisition, or sale of Loop common stock on an open market located within the United States, including but not limited to the NASDAQ stock exchange or another domestic exchange, during the Settlement Class Period. Released Plaintiffs’ Claims do not include: (i) any claims relating to the enforcement of the Settlement; and (ii) any claims of any person or entity who or which submits a request for exclusion that is accepted by the Court. Released Plaintiffs’ Claims also exclude the proposed class action pending in the Superior Court of Quebec (District of Terrebonne, Province of Quebec, Canada), in file no. 700-06-000012-205.

30. “Defendants’ Releasees” means (i) each Defendant, (ii) each of their respective Immediate Family members (for individuals) and each of their direct or indirect parent entities, subsidiaries, related entities, and affiliates, any trust of which any Individual Defendant is the settler or which is for the benefit of any Defendant and/or member(s) of his or her Immediate Family, and (iii) for any of the entities listed in parts (i) or (ii), their respective past and present general partners, limited partners, principals, shareholders, joint venturers, officers, directors, managing directors, employees, contractors, consultants, auditors, accountants, financial advisors, investment bankers, insurers, trustees, trustors, agents, attorneys, predecessors, successors, assigns, heirs, executors, and any controlling person thereof, in their capacities as such, and any entity in which a Defendant has a controlling interest.

31. “Unknown Claims” means any Released Plaintiffs’ Claims which any Lead Plaintiff or any other Settlement Class Member does not know or suspect to exist in his, her, or its favor at the time of the release of such claims, and any Released Defendants’ Claims which any Defendant or any other Defendants’ Releasee does not know or suspect to exist in his, her, or its favor at the time of the release of such claims, which, if known by him, her, or it, might have affected his, her, or its decision(s) with respect to this Settlement. With respect to any and all Released Claims, the Parties stipulate and agree that, upon the Effective Date of the Settlement, Lead Plaintiffs and Defendants shall expressly waive, and each of the other Settlement Class Members and each of the other Defendants’ Releasees shall be deemed to have waived, and by operation of the Judgment or the Alternate Judgment, if applicable, shall have expressly waived, any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States, or principle of common law or foreign law, which is similar,

comparable, or equivalent to California Civil Code § 1542, which provides:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that if known by him or her would have materially affected his or her settlement with the debtor or released party.

Lead Plaintiffs and Defendants acknowledge, and each of the other Settlement Class Members and each of the other Defendants' Releasees shall be deemed by operation of law to have acknowledged, that the foregoing waiver was separately bargained for and a key element of the Settlement.

32. The Judgment will also provide that, upon the Effective Date of the Settlement, Defendants, on behalf of themselves, and their respective heirs, executors, administrators, predecessors, successors, and assigns in their capacities as such, will have fully, finally, and forever compromised, settled, released, resolved, relinquished, waived, and discharged each and every Released Defendants' Claim (as defined in ¶ 33 below) against Lead Plaintiffs and the other Plaintiffs' Releasees (as defined in ¶ 34 below), and shall forever be barred and enjoined from prosecuting any or all of the Released Defendants' Claims against any of the Plaintiffs' Releasees.

33. "Released Defendants' Claims" means all claims and causes of action of every nature and description, whether known claims or Unknown Claims, whether arising under federal, state, common, or foreign law, that arise out of or relate in any way to the institution, prosecution, or settlement of the claims asserted in the Action against the Defendants. Released Defendants' Claims do not include any claims relating to the enforcement of the Settlement or any claims against any person or entity who or which submits a request for exclusion from the Settlement Class that is accepted by the Court.

34. "Plaintiffs' Releasees" means (i) Lead Plaintiffs, all other plaintiffs in the Action, and all other Settlement Class Members, and (ii) each of their respective Immediate Family members (for individuals) and each of their direct or indirect parent entities, subsidiaries, related entities, and affiliates, any trust of which any Settlement Class Member is the settler or which is for the benefit of any Settlement Class Member and/or member(s) of his or her Immediate Family, and (iii) for any of the entities listed in parts (i) or (ii), their respective past and present general partners, limited partners, principals, shareholders, joint venturers, officers, directors, managing directors, employees, contractors, consultants, auditors, accountants, financial advisors, investment bankers, insurers, trustees, trustors, agents, attorneys, predecessors, successors, assigns, heirs, executors, and any controlling person thereof, in their capacities as such, and any entity in which a Settlement Class Member has a controlling interest.

#### **HOW DO I PARTICIPATE IN THE SETTLEMENT? WHAT DO I NEED TO DO?**

35. To be eligible for a payment from the proceeds of the Settlement, you must be a member of the Settlement Class and you must timely complete and return the Claim Form with adequate supporting documentation **either online at [www.LoopIndustriesSecuritiesSettlement.com](http://www.LoopIndustriesSecuritiesSettlement.com) no later than 11:59 p.m. on February 15, 2023 or postmarked no later than February 15, 2023**. A Claim Form is available on the website maintained by the Claims Administrator for the Settlement, [www.LoopIndustriesSecuritiesSettlement.com](http://www.LoopIndustriesSecuritiesSettlement.com) or you may request that a Claim Form be mailed to you by calling the Claims Administrator toll free at 1-866-274-4004. Please retain all records of your ownership of and transactions in Loop common stock, as they may be needed to document your Claim. If you request exclusion from the Settlement Class or do not submit a timely and valid Claim Form, you will not be eligible to share in the Net Settlement Fund.

#### **HOW MUCH WILL MY PAYMENT BE?**

36. At this time, it is not possible to make any determination as to how much any individual Settlement Class Member may receive from the Settlement.

37. Pursuant to the Settlement, Defendants have agreed to pay or caused to be paid three million one hundred thousand dollars (\$3,100,000) in cash. The Settlement Amount will be deposited into an escrow account. The Settlement Amount plus any interest earned thereon is referred to as the "Settlement Fund." If the Settlement is approved by the Court and the Effective Date occurs, the "Net Settlement Fund" (that is, the Settlement Fund less (a) all federal, state, and/or local taxes on any income earned by the Settlement Fund and the reasonable costs incurred in connection with determining the amount of and paying taxes owed by the Settlement Fund (including reasonable expenses of tax attorneys and accountants); (b) the costs and expenses incurred in connection with providing notice to Settlement Class Members and administering the Settlement on behalf of Settlement Class

Members; and (c) any attorneys' fees and Litigation Expenses awarded by the Court) will be distributed to Settlement Class Members who submit valid Claim Forms, in accordance with the proposed Plan of Allocation or such other plan of allocation as the Court may approve.

38. The Net Settlement Fund will not be distributed unless and until the Court has approved the Settlement and a plan of allocation, and the time for any petition for rehearing, appeal, or review, whether by certiorari or otherwise, has expired.

39. Neither Defendants nor any other person or entity that paid any portion of the Settlement Amount on their behalf are entitled to get back any portion of the Settlement Fund once the Court's order or judgment approving the Settlement becomes Final. Defendants shall not have any liability, obligation, or responsibility for the administration of the Settlement, the disbursement of the Net Settlement Fund or the plan of allocation.

40. Approval of the Settlement is independent from approval of a plan of allocation. Any determination with respect to a plan of allocation will not affect the Settlement, if approved.

41. Unless the Court otherwise orders, any Settlement Class Member who fails to submit a Claim Form online or postmarked on or before February 15, 2023 shall be fully and forever barred from receiving payments pursuant to the Settlement but will in all other respects remain a Settlement Class Member and be subject to the provisions of the Stipulation, including the terms of any Judgment entered and the releases given. This means that each Settlement Class Member releases the Released Plaintiffs' Claims (as defined in ¶ 29 above) against the Defendants' Releasees (as defined in ¶ 30 above) and will be enjoined and prohibited from filing, prosecuting, or pursuing any of the Released Plaintiffs' Claims against any of the Defendants' Releasees whether or not such Settlement Class Member submits a Claim Form.

42. Participants in and beneficiaries of a plan covered by ERISA ("ERISA Plan") should NOT include any information relating to their transactions in Loop common stock held through the ERISA Plan in any Claim Form that they may submit in this Action. They should include ONLY those shares that they purchased or acquired outside of the ERISA Plan. Claims based on any ERISA Plan's purchases or acquisitions of Loop common stock during the Settlement Class Period may be made by the plan's trustees. To the extent any of the Defendants or any of the other persons or entities excluded from the Settlement Class are participants in the ERISA Plan, such persons or entities shall not receive, either directly or indirectly, any portion of the recovery that may be obtained from the Settlement by the ERISA Plan.

43. The Court has reserved jurisdiction to allow, disallow, or adjust on equitable grounds the Claim of any Settlement Class Member.

44. Each Claimant shall be deemed to have submitted to the jurisdiction of the Court with respect to his, her, or its Claim Form.

45. Only Settlement Class Members will be eligible to share in the distribution of the Net Settlement Fund. Persons and entities that are excluded from the Settlement Class by definition or that exclude themselves from the Settlement Class pursuant to request will not be eligible to receive a distribution from the Net Settlement Fund and should not submit Claim Forms. The only security that is included in the Settlement is Loop common stock.

### **PROPOSED PLAN OF ALLOCATION**

46. The objective of the Plan of Allocation is to equitably distribute the Settlement proceeds to those Settlement Class Members who suffered economic losses as a proximate result of the alleged wrongdoing. The calculations made pursuant to the Plan of Allocation are not intended to be estimates of, nor indicative of, the amounts that Settlement Class Members might have been able to recover after a trial. Nor are the calculations pursuant to the Plan of Allocation intended to be estimates of the amounts that will be paid to Authorized Claimants pursuant to the Settlement. The computations under the Plan of Allocation are only a method to weigh the claims of Authorized Claimants against one another for the purposes of making *pro rata* allocations of the Net Settlement Fund.

47. The Plan of Allocation generally measures the amount of loss that a Settlement Class Member can claim for purposes of making *pro rata* allocations of the cash in the Net Settlement Fund to Authorized Claimants. The Plan of Allocation is not a formal damage analysis. Recognized Loss Amounts are based primarily on the price declines observed over the period which Lead Plaintiffs allege corrective information was entering the market place. In this case, Lead Plaintiffs allege that Defendants made false statements and omitted material facts between September 24, 2018 through and including October 12, 2020, which had the effect of artificially inflating the price of Loop common stock. The estimated alleged artificial inflation in the price of Loop common stock during the Settlement Class Period is reflected in Table 1 below. The computation of the estimated alleged artificial inflation in the price of Loop common stock during the Settlement Class Period is based on certain misrepresentations alleged

by Lead Plaintiffs and the price change in the stock, net of market- and industry-wide factors, in reaction to the public announcements that allegedly corrected the misrepresentations alleged by Lead Plaintiffs.

48. In order to have recoverable damages, disclosures correcting the alleged misrepresentations must be the cause of the decline in the price of the Loop common stock. In this matter, information disclosed on October 13, 2020 allegedly corrected the misrepresentations alleged by Lead Plaintiffs, thereby removing the alleged artificial inflation from the price of Loop common stock on October 13, 2020. Accordingly, in order to have a Recognized Loss Amount, Loop common stock must have been purchased or acquired during the Settlement Class Period and still held through market close on October 12, 2020.

49. To the extent a Claimant does not satisfy the conditions set forth in the preceding paragraph, his, her or its Recognized Loss Amount for those transactions will be zero.

<b>Table 1</b>		
<b>Alleged Artificial Inflation in Loop Common Stock</b>		
<b>From</b>	<b>To</b>	<b>Per-Share Price Inflation</b>
September 24, 2018	October 12, 2020	\$3.75
October 13, 2020	Thereafter	\$0.00

50. The “90-day look back” provision of the Private Securities Litigation Reform Act of 1995 (“PSLRA”) is incorporated into the calculation of the Recognized Loss Amount for Loop common stock. The limitations on the calculation of the Recognized Loss Amount imposed by the PSLRA are applied such that losses on Loop common stock purchased during the Settlement Class Period and held as of the close of the 90-day period subsequent to the Settlement Class Period (the “90-Day Lookback Period”) cannot exceed the difference between the purchase price paid for such stock and its average price during the 90-Day Lookback Period. The Recognized Loss Amount on Loop common stock purchased during the Settlement Class Period and sold during the 90-Day Lookback Period cannot exceed the difference between the purchase price paid for such stock and its rolling average price during the portion of the 90-Day Lookback Period elapsed as of the date of sale.

51. In the calculations below, all purchase and sale prices shall exclude any fees, taxes, and commissions. If a Recognized Loss Amount is calculated to be a negative number, that Recognized Loss Amount shall be set to zero. Any transactions in Loop common stock executed outside of regular trading hours for the U.S. financial markets shall be deemed to have occurred during the next regular trading session.

**CALCULATION OF RECOGNIZED LOSS AMOUNTS**

52. Based on the formula set forth below, a “Recognized Loss Amount” shall be calculated for each purchase or acquisition of Loop common stock during the Settlement Class Period that is listed in the Claim Form and for which adequate documentation is provided.

- I. For each share purchased during the Settlement Class Period that was sold prior to October 13, 2020, the Recognized Loss Amount is \$0.00.
- II. For each share purchased during the Settlement Class Period that was subsequently sold during the period October 13, 2020 through January 8, 2021, inclusive (*i.e.*, the 90-Day Lookback Period), the Recognized Loss Amount is *the lesser of*:
  - a. \$3.75; or
  - b. the purchase price *minus* the “90-Day Lookback Value” on the date of sale as appears in Table 2 below.
- III. For each share purchased during the Settlement Class Period and still held as of the close of trading on January 8, 2021, the Recognized Loss Amount is *the lesser of*:
  - a. 3.75; or
  - b. the purchase price minus the average closing price for Loop common stock during the 90-Day Lookback Period, which is \$7.76.

<b>Sale/ Disposition Date</b>	<b>90-Day Lookback Value</b>	<b>Sale/ Disposition Date</b>	<b>90-Day Lookback Value</b>	<b>Sale/ Disposition Date</b>	<b>90-Day Lookback Value</b>

### **ADDITIONAL PROVISIONS**

53. The Net Settlement Fund will be allocated among all Authorized Claimants whose Distribution Amount (defined in paragraph 61 below) is \$10.00 or greater.

54. **FIFO Matching:** If a Settlement Class Member has more than one purchase/acquisition or sale of Loop common stock, all purchases/acquisitions and sales shall be matched on a First In, First Out (“FIFO”) basis. Settlement Class Period sales will be matched first against any holdings at the beginning of the Settlement Class Period, and then against purchases/acquisitions in chronological order, beginning with the earliest purchase/acquisition made during the Settlement Class Period.

55. **Calculation of Claimant’s “Recognized Claim”:** A Claimant’s “Recognized Claim” under the Plan of Allocation shall be the sum of his, her, or its Recognized Loss Amounts for all shares of the Loop common stock.

56. **“Purchase/Sale” Dates:** Purchases or acquisitions and sales of Loop common stock shall be deemed to have occurred on the “contract” or “trade” date as opposed to the “settlement” or “payment” date. The receipt or grant by gift, inheritance, or operation of law of Loop common stock during the Settlement Class Period shall not be deemed a purchase, acquisition, or sale of Loop common stock for the calculation of an Authorized Claimant’s Recognized Loss Amount, nor shall the receipt or grant be deemed an assignment of any claim relating to the purchase/acquisition of any Loop common stock unless (i) the donor or decedent purchased or otherwise acquired such Loop common stock during the Settlement Class Period; (ii) no Claim Form was submitted by or on behalf of the donor, on behalf of the decedent, or by anyone else with respect to such Loop common stock; and (iii) it is specifically so provided in the instrument of gift or assignment.

57. **Short Sales:** The date of covering a “short sale” is deemed to be the date of purchase or acquisition of the Loop common stock. The date of a “short sale” is deemed to be the date of sale of Loop common stock. Under the Plan of Allocation, however, the Recognized Loss Amount on “short sales” is zero. In the event that a Claimant has an opening short position in Loop common stock, the earliest Settlement Class Period purchases or acquisitions shall be matched against such opening short position, and not be entitled to a recovery, until that short position is fully covered.

58. **Options Contracts:** Option contracts are not securities eligible to participate in the Settlement. With respect to Loop common stock purchased through the exercise of an option, the purchase date of the Loop common

stock shall be the exercise date of the option and the purchase price of the Loop common stock shall be the closing price of Loop common stock on date of purchase. Any Recognized Loss Amount arising from purchases of Loop common stock acquired during the Settlement Class Period through the exercise of an option on Loop common stock shall be computed as provided for other purchases of Loop common stock in the Plan of Allocation.

59. **Market Gains and Losses:** To the extent a Claimant had a market gain with respect to his, her, or its overall transactions in Loop common stock during the Settlement Class Period, the value of the Claimant's Recognized Claim shall be zero. To the extent that a Claimant suffered an overall market loss with respect to his, her, or its overall transactions in Loop common stock during the Settlement Class Period, but that market loss was less than the total Recognized Claim calculated above, then the Claimant's Recognized Claim shall be limited to the amount of the actual market loss.

60. For purposes of determining whether a Claimant had a market gain with respect to his, her, or its overall transactions in Loop common stock during the Settlement Class Period or suffered a market loss, the Claims Administrator shall determine the difference between (i) the Total Purchase Amount<sup>2</sup> and (ii) the sum of the Total Sales Proceeds<sup>3</sup> and the Holding Value.<sup>4</sup> If the Claimant's Total Purchase Amount *minus* the sum of the Total Sales Proceeds and the Holding Value is a positive number, that number will be the Claimant's market loss on such securities; if the number is a negative number or zero, that number will be the Claimant's market gain on such securities.

61. **Determination of Distribution Amount:** The Net Settlement Fund will be distributed to Authorized Claimants on a *pro rata* basis based on the relative size of their Recognized Claims. Specifically, a "Distribution Amount" will be calculated for each Authorized Claimant, which shall be the Authorized Claimant's Recognized Claim divided by the total Recognized Claims of all Authorized Claimants, multiplied by the total amount in the Net Settlement Fund. If any Authorized Claimant's Distribution Amount calculates to less than \$10.00, it will not be included in the calculation and no distribution will be made to such Authorized Claimant. Any Distribution Amounts of less than \$10.00 will be included in the pool distributed to those Settlement Class Members whose Distribution Amounts are \$10.00 or greater.

62. After the initial distribution of the Net Settlement Fund, the Claims Administrator shall make reasonable and diligent efforts to have Authorized Claimants cash their distribution checks. To the extent any monies remain in the fund nine (9) months after the initial distribution, if Lead Counsel, in consultation with the Claims Administrator, determines that it is cost-effective to do so, the Claims Administrator shall conduct a re-distribution of the funds remaining after payment of any unpaid fees and expenses incurred in administering the Settlement, including for such re-distribution, to Authorized Claimants who have cashed their initial distributions and who would receive at least \$10.00 from such re-distribution. Additional re-distributions to Authorized Claimants who have cashed their prior checks and who would receive at least \$10.00 on such additional re-distributions may occur thereafter if Lead Counsel, in consultation with the Claims Administrator, determines that additional re-distributions, after the deduction of any additional fees and expenses incurred in administering the Settlement, including for such re-distributions, would be cost-effective. At such time as it is determined that the re-distribution of funds remaining in the Net Settlement Fund is not cost-effective, the remaining balance shall be contributed to non-sectarian, not-for-profit organization(s), to be recommended by Lead Counsel and approved by the Court.

63. Payment pursuant to the Plan of Allocation, or such other plan of allocation as may be approved by the Court, shall be conclusive against all Authorized Claimants. No person shall have any claim against Lead Plaintiffs, Plaintiffs' Counsel, Lead Plaintiffs' damages expert, Defendants, Defendants' Counsel, or any of the other

---

<sup>2</sup> The "Total Purchase Amount" is the total amount the Claimant paid (excluding commissions and other charges) for all Loop common stock purchased or acquired during the Settlement Class Period.

<sup>3</sup> The Claims Administrator shall match any sales of Loop common stock during the Settlement Class Period, first against the Claimant's opening position in Loop common stock (the proceeds of those sales will not be considered for purposes of calculating market gains or losses). The total amount received (excluding commissions and other charges) for the remaining sales of Loop common stock sold during the Settlement Class Period shall be the "Total Sales Proceeds."

<sup>4</sup> The Claims Administrator shall ascribe a "Holding Value" to shares of Loop common stock purchased or acquired during the Settlement Class Period and still held as of the close of trading on October 12, 2020, which shall be \$7.76. The total calculated holding values for all Loop common stock shall be the Claimant's "Total Holding Value."

Releasees, or the Claims Administrator or other agent designated by Lead Counsel arising from distributions made substantially in accordance with the Stipulation, the plan of allocation approved by the Court, or further Orders of the Court. Lead Plaintiffs, Defendants and their respective counsel, and all other Defendants' Releasees, shall have no responsibility or liability whatsoever for the investment or distribution of the Settlement Fund, the Net Settlement Fund, the plan of allocation, or the determination, administration, calculation, or payment of any Claim Form or nonperformance of the Claims Administrator, the payment or withholding of taxes owed by the Settlement Fund, or any losses incurred in connection therewith.

64. The Plan of Allocation set forth herein is the plan that is being proposed to the Court for its approval by Lead Plaintiffs after consultation with their damages expert. The Court may approve this plan as proposed or it may modify the Plan of Allocation without further notice to the Settlement Class. Any Orders regarding any modification of the Plan of Allocation will be posted on the settlement website, [www.LoopIndustriesSecuritiesSettlement.com](http://www.LoopIndustriesSecuritiesSettlement.com).

**WHAT PAYMENT ARE THE ATTORNEYS FOR THE SETTLEMENT CLASS SEEKING?  
HOW WILL THE LAWYERS BE PAID?**

65. Plaintiffs' Counsel have not received any payment for their services in pursuing claims against the Defendants on behalf of the Settlement Class, nor have Plaintiffs' Counsel been reimbursed for their out-of-pocket expenses. Before final approval of the Settlement, Lead Counsel will apply to the Court for an award of attorneys' fees for all Plaintiffs' Counsel in an amount not to exceed 33⅓% of the Settlement Fund.<sup>5</sup> At the same time, Lead Counsel also intends to apply for reimbursement of Litigation Expenses in an amount not to exceed \$140,000, which may include an application for reimbursement of the reasonable costs and expenses incurred by Lead Plaintiffs directly related to their representation of the Settlement Class in an aggregate amount not to exceed \$10,000. The Court will determine the amount of any award of attorneys' fees or reimbursement of Litigation Expenses. Such sums as may be approved by the Court will be paid from the Settlement Fund. Settlement Class Members are not personally liable for any such fees or expenses.

**WHAT IF I DO NOT WANT TO BE A MEMBER OF THE SETTLEMENT CLASS?  
HOW DO I EXCLUDE MYSELF?**

66. Each Settlement Class Member will be bound by all determinations and judgments in this lawsuit, whether favorable or unfavorable, unless such person or entity mails or delivers a written Request for Exclusion from the Settlement Class, addressed to *Loop Industries, Inc. Securities Litigation, EXCLUSIONS*, c/o Strategic Claims Services, 600 N. Jackson Street, Suite 205, P.O. Box 230, Media, PA, 19063. The exclusion request must be **received** no later than December 8, 2022. You will not be able to exclude yourself from the Settlement Class after that date. Each Request for Exclusion must: (a) state the name, address and telephone number of the person or entity requesting exclusion, and in the case of entities the name and telephone number of the appropriate contact person; (b) state that such person or entity "requests exclusion from the Settlement Class in *In re Loop Industries, Inc. Securities Litigation*, Case No. 7:20-cv-08538-NSR"; (c) identify and state the number of shares of Loop common stock that the person or entity requesting exclusion purchased/acquired and/or sold during the Settlement Class Period (*i.e.*, between September 24, 2018 and October 12, 2020, inclusive), as well as the dates and prices of each such purchase/acquisition and sale; and (d) be signed by the person or entity requesting exclusion or an authorized representative. A Request for Exclusion shall not be valid and effective unless it provides all the information called for in this paragraph and is received within the time stated above, or is otherwise accepted by the Court.

Any attorneys' fees awarded by the Court will be divided between Lead Counsel GPM (60%) and Pomerantz (40%) pursuant to a fee sharing agreement. In addition, GPM intends to share with Smith, and Pomerantz intends to share with Bronstein, portions of any attorneys' fees awarded by the Court in accordance with Smith and Bronstein's respective levels of contributions to the initiation, prosecution, and resolution of the Action.

67. If you do not want to be part of the Settlement Class, you must follow these instructions for exclusion even if you have pending, or later file, another lawsuit, arbitration, or other proceeding relating to any Released Plaintiffs' Claim against any of the Defendants' Releasees.

68. If you ask to be excluded from the Settlement Class, you will not be eligible to receive any payment out of the Net Settlement Fund.

69. Defendants have the right to terminate the Settlement if valid requests for exclusion are received from persons and entities entitled to be members of the Settlement Class in an amount that exceeds an amount agreed to by Lead Plaintiffs and Defendants.

## **PART II – GENERAL INSTRUCTIONS**

1. It is important that you completely read and understand the Notice of (I) Pendency of Class Action and Proposed Settlement; (II) Settlement Fairness Hearing; and (III) Motion for an Award of Attorneys' Fees and Reimbursement of Litigation Expenses (the "Settlement Notice") that accompanies this Claim Form, including the Plan of Allocation of the Net Settlement Fund set forth in the Settlement Notice. The Settlement Notice describes the proposed Settlement, how Settlement Class Members are affected by the Settlement, and the manner in which the Net Settlement Fund will be distributed if the Settlement and Plan of Allocation are approved by the Court. The Settlement Notice also contains the definitions of many of the defined terms (which are indicated by initial capital letters) used in this Claim Form. By signing and submitting this Claim Form, you will be certifying that you have read and that you understand the Settlement Notice, including the terms of the releases described therein and provided for herein.

2. This Claim Form is directed to all persons and entities who or which purchased or otherwise acquired Loop Industries, Inc. ("Loop") common stock ("Loop common stock") on an open market located within the United States, including but not limited to the NASDAQ stock exchange or another domestic exchange, between September 24, 2018 and October 12, 2020, inclusive (the "Settlement Class Period"), and who were damaged thereby (the "Settlement Class"). All persons and entities that are members of the Settlement Class are referred to as "Settlement Class Members."

3. Excluded from the Settlement Class are: (1) persons who suffered no compensable losses; and (2) (a) Defendants; (b) Northern Private Capital Ltd., Northern Private Capital Fund I Limited Partnership, Northern Private Capital Fund I Non-Resident Limited Partnership (collectively, "Northern Private"); (c) any person who served as a partner, control person, executive officer, and/or director of Loop or Northern Private during the Settlement Class Period, and members of their immediate families; (d) present and former parents, subsidiaries, assigns, successors, predecessors, and affiliates of Loop and Northern Private; (e) any entity in which the Defendants or Northern Private have or had a controlling interest; (f) any trust of which any Individual Defendant is the settlor or which is for the benefit of any Individual Defendant and/or member(s) of his or her Immediate Family; (g) Defendants' liability insurance carriers; (h) the legal representatives, heirs, successors, and assigns of any person or entity excluded under provisions (a) through (g) hereof; and (i) members of the Immediate Families of the Individual Defendants. Also excluded from the Settlement Class are any persons and entities who or which validly exclude themselves by submitting a request for exclusion that is accepted by the Court.

4. If you are not a Settlement Class Member do not submit a Claim Form. **YOU MAY NOT, DIRECTLY OR INDIRECTLY, PARTICIPATE IN THE SETTLEMENT IF YOU ARE NOT A SETTLEMENT CLASS MEMBER. THUS, IF YOU ARE EXCLUDED FROM THE CLASS (AS SET FORTH IN PARAGRAPH 3 ABOVE), ANY CLAIM FORM THAT YOU SUBMIT, OR THAT MAY BE SUBMITTED ON YOUR BEHALF, WILL NOT BE ACCEPTED.**

5. If you are a Settlement Class Member, you will be bound by the terms of any judgments or orders entered in the Action **WHETHER OR NOT YOU SUBMIT A CLAIM FORM**, unless you submit a request for exclusion from the Settlement Class. Thus, if you are a Class Member, the Judgment will release, and you will be barred and enjoined from commencing, instituting, prosecuting or continuing to prosecute any action or other proceeding in any court of law or equity, arbitration tribunal or administrative forum, asserting each and every Released Plaintiffs' Claims (including Unknown Claims) against Defendants' Releases.

6. You are eligible to participate in the distribution of the Net Settlement Fund only if you are a member of the Settlement Class and if you complete and return this form as specified below. If you fail to submit a timely, properly addressed, and completed Claim Form with the required documentation, your claim may be rejected and you may be precluded from receiving any distribution from the Net Settlement Fund.

7. Submission of this Claim Form does not guarantee that you will share in the proceeds of the Settlement. The distribution of the Net Settlement Fund will be governed by the Plan of Allocation set forth in the Settlement Notice, if it is approved by the Court, or by such other plan of allocation approved by the Court.

8. Use the Schedule of Transactions in Part III of this Claim Form to supply all required details

of your transaction(s) (including free transfers) in and holdings of the applicable Loop common stock. On the Schedule of Transactions, please provide all of the requested information with respect to your holdings, purchases, acquisitions, and sales of the applicable Loop common stock, whether such transactions resulted in a profit or a loss. Failure to report all transaction and holding information during the requested time periods may result in the rejection of your claim.

9. Please note: Only Loop common stock purchased/acquired during the Settlement Class Period (*i.e.*, from September 24, 2018 to October 12, 2020, inclusive) are eligible under the Settlement. However, because the Plan of Allocation incorporates the “90-day lookback” provision of the PSLRA (described in the Plan of Allocation set forth in the Settlement Notice), you must provide documentation related to your purchases and sales of Loop common stock during the period from October 13, 2020, through and including January 8, 2021 (*i.e.*, the 90-Day Lookback Period) in order for the Claims Administrator to calculate your Recognized Loss Amount under the Plan of Allocation and process your claim.

10. You are required to submit genuine and sufficient documentation for all of your transactions and holdings of Loop common stock set forth in the Schedule of Transactions in Part III of this Claim Form. Documentation may consist of copies of brokerage confirmation slips or monthly brokerage account statements, or an authorized statement from your broker containing the transactional and holding information found in a broker confirmation slip or account statement. The Parties and the Claims Administrator do not independently have information about your investments in Loop common stock. **IF SUCH DOCUMENTS ARE NOT IN YOUR POSSESSION, PLEASE OBTAIN COPIES OR EQUIVALENT CONTEMPORANEOUS DOCUMENTS FROM YOUR BROKER. FAILURE TO SUPPLY THIS DOCUMENTATION MAY RESULT IN THE REJECTION OF YOUR CLAIM. DO NOT SEND ORIGINAL DOCUMENTS. Please keep a copy of all documents that you send to the Claims Administrator. Also, please do not highlight any portion of the Claim Form or any supporting documents.**

11. Separate Claim Forms should be submitted for each separate legal entity (*e.g.*, a claim from joint owners should not include separate transactions through an account that is in the name of just one of the joint owners, and an individual should not combine his or her IRA transactions with transactions made through an account in the individual’s name). Conversely, a single Claim Form should be submitted on behalf of one legal entity including all transactions made by that entity on one Claim Form, no matter how many separate accounts that entity has (*e.g.*, a corporation with multiple brokerage accounts should include all transactions made in all accounts on one Claim Form).

12. All joint beneficial owners must sign this Claim Form. If you purchased or otherwise acquired Loop common stock during the Settlement Class Period and held the securities in your name, you are the beneficial owner as well as the record owner and you must sign this Claim Form to participate in the Settlement. If, however, you purchased or otherwise acquired Loop common stock during the Settlement Class Period and the securities were registered in the name of a third party, such as a nominee or brokerage firm, you are the beneficial owner of these securities, but the third party is the record owner. The beneficial owner, not the record owner, must sign this Claim Form.

13. Agents, executors, administrators, guardians, and trustees must complete and sign the Claim Form on behalf of persons represented by them, and they must:

- (a) expressly state the capacity in which they are acting;
- (b) identify the name, account number, Social Security Number (or taxpayer identification number), address and telephone number of the beneficial owner of (or other person or entity on whose behalf they are acting with respect to) the Loop common stock; and
- (c) furnish herewith evidence of their authority to bind to the Claim Form the person or entity on whose behalf they are acting. (Authority to complete and sign a Claim Form cannot be established by stockbrokers demonstrating only that they have discretionary authority to trade stock in another person’s accounts.)

14. By submitting a signed Claim Form, you will be swearing that you:

- (a) own(ed) the Loop common stock you have listed in the Claim Form; or

(b) are expressly authorized to act on behalf of the owner thereof.

15. By submitting a signed Claim Form, you will be swearing to the truth of the statements contained therein and the genuineness of the documents attached thereto, subject to penalties of perjury under the laws of the United States of America. The making of false statements, or the submission of forged or fraudulent documentation, will result in the rejection of your claim and may subject you to civil liability or criminal prosecution.

16. If the Court approves the Settlement, payments to eligible Authorized Claimants pursuant to the Plan of Allocation (or such other plan of allocation as the Court approves) will be made after the completion of all claims processing. This could take substantial time. Please be patient.

17. **PLEASE NOTE:** As set forth in the Plan of Allocation, each Authorized Claimant shall receive his, her or its pro rata share of the Net Settlement Fund. If the prorated payment to any Authorized Claimant, however, calculates to less than \$10.00, it will not be included in the calculation and no distribution will be made to that Authorized Claimant.

18. If you have questions concerning the Claim Form, or need additional copies of the Claim Form or the Settlement Notice, you may contact the Claims Administrator, Strategic Claims Services, at the above address, by email at [info@strategicclaims.net](mailto:info@strategicclaims.net) or by toll-free phone at (866) 274-4004, or you can visit the settlement website, [www.LoopIndustriesSecuritiesSettlement.com](http://www.LoopIndustriesSecuritiesSettlement.com), where copies of the Claim Form and Notice are available for downloading.

19. **NOTICE REGARDING ELECTRONIC FILES:** Certain Claimants with large numbers of transactions may request, or may be requested, to submit information regarding their transactions in electronic files. To obtain the mandatory electronic filing requirements and file layout, you may visit the Settlement website at <https://www.strategicclaims.net/institutional-filers/> or you may email the Claims Administrator's electronic filing department at [efile@strategicclaims.net](mailto:efile@strategicclaims.net). Any file not in accordance with the required electronic filing format will be subject to rejection. No electronic files will be considered to have been properly submitted unless the Claims Administrator issues an email to that effect after processing your file with your claim numbers and respective account information. Do not assume that your file has been received or processed until you receive this email. If you do not receive such an email within 10 days of your submission, you should contact the electronic filing department at [efile@strategicclaims.net](mailto:efile@strategicclaims.net) to inquire about your file and confirm it was received and acceptable.

20. **NOTICE REGARDING ONLINE FILING:** Claimants who are not Representative Filers may submit their claims online using the electronic version of the Claim Form hosted at [www.LoopIndustriesSecuritiesSettlement.com](http://www.LoopIndustriesSecuritiesSettlement.com). If you are not acting as a Representative Filer, you do not need to contact the Claims Administrator prior to filing; you will receive an automated e-mail confirming receipt once your Claim Form has been submitted. If you are unsure if you should submit your claim as a Representative Filer, please contact the Claims Administrator at [info@strategicclaims.net](mailto:info@strategicclaims.net) or (866) 274-4004. If you are not a Representative Filer, but your claim contains a large number of transactions, the Claims Administrator may request that you also submit an electronic spreadsheet showing your transactions to accompany your Claim Form.
